## INDIAN TERRITORY

#### George Bibich for 21 Years

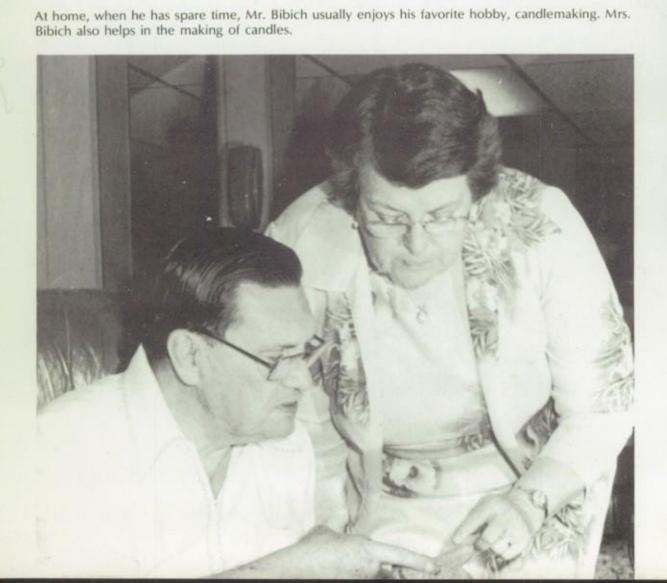

Superintendent George Bibich has been academically involved for 38 years in education. Mr. Bibich became the Principal of Dyer Central High School in 1955 and the following year, he was appointed supervising principal for the St. John Township schools. In the fall of '66, Mr. Bibich was named Superintendent of the new school, Lake Central High School Corporation.

Mr. Bibich was a great asset to the schools district, as he directed the growth of the schools system to one of the largest and most progressive in Lake County. Mr. Bibich considers the opening of the new high school one of the biggest highlights in his career. After Mr. Bibich retires, he plans on spending most of his time with all of his grandchildren.

Downstairs in his workshop, Mr. Bibich relaxes while making candles. He makes many different and beautiful kinds.

At home, taking time out to spend some time with his grand-children, David, Denise, Jay and Jackie. Mr. Bibich plans on retiring this summer.

Going over administrative work, in the office, is just part of Mr. Bibich's daily routine.

#### 13, A LUCKY NUMBER

Biting nails and sweating under the collar are band members Janice Yakimow, Lisa Hasselbring and sophomore Lucy Dieguez as they nervously await the judges final decisions at NISBOVA Contest.

The number thirteen proved to be a lucky one, as the LC Marching Indians won the NIS-BOVA Sweepstake's title. Besides winning first place trophy, the band also received the best dressed inspection award. After winning NIS-BOVA, the band participated in state competition and captured second place in the Indiana All-State Marching Contest.

On February 8th, 160 bandmembers and 24 majorettes left for Fort Meyers, Florida to participate in the Thomas Edison Light Festival. The band stayed in Florida for one week and returned home. Only ten bands out of the nation were invited to perform in this event.

Whether in uniform or not, the LC band plays with pride as they practice for state competition outside in the school's parking lot.

Drum Major Karen Rosinko expresses her happiness after receiving first place trophy.

Band member Patti Farmer and her mother check off a list on what to take on the band's trip to Fort Meyers, Florida. The band in Fort Meyers, Florida.

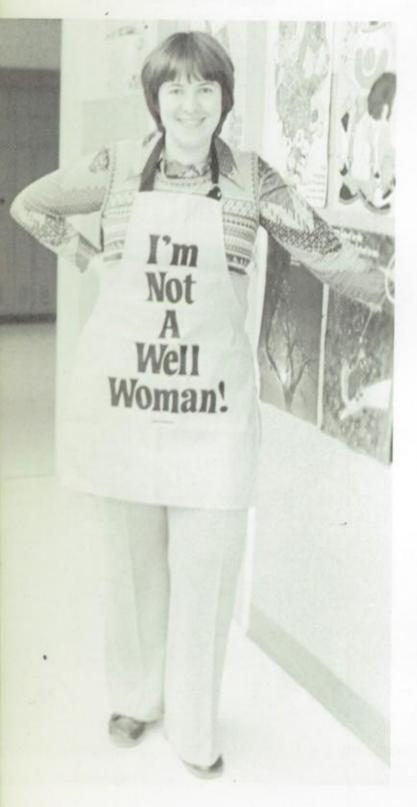

The Marching Indians, almost the last band to perform, came onto the field playing the songs; "Motherless Child", "I've Got You Under My Skin", "Artistry and Rhythm", "Joshua", "Furioso for Bands", and "Old Man River". Mr. Doug Jordan, director, arranged the show.

#### Four Years, Where Did They Go?

When you're a freshman you always feel like time is going so slow, and you wish that you were a senior so that you could go half a day for your last year. But time changes things. It's funny that when you're a senior you wonder where those four years went and why so fast. You wish you could go back again to the beginning. Four years, where did they go? Don't worry because you'll never forget them, the memories will linger on and some day you will look back.

After a long day teaching, Mrs. Lowe sometimes wonders if she is a well woman.

Sophomore Ed Meyers, who was the lead in "God's Favorite", takes time out after the closing of the play and does funny impromptus for the crew.

Not taking it seriously, it doesn't look like the teachers are trying hard enough to win the tug-of-war against the senior boys.

#### Below Zero Affects Classes

Buses were started at midnight during the below zero weather to make sure that they would start in the morning.

During the cold winter, it was very normal to see late buses on a subzero day.

In an effort to win the tug-of-war, the senior boys pulled out a victory over the teachers.

Can you remember the first day of school, when you were a freshman, and very scared of the seniors? It wasn't too funny then, but now you can look back and laugh about it.

When you are a freshman you always tried to join all of the clubs and tried out for everything. Freshmen were always busy.

During the sophomore years we heard that it was the hardest year in school and it was! You really had to study and never had any time for anything else.

If you were a junior, then all you could think of was trying to raise enough money for Prom.

Seniors didn't have much time to think, graduation came sooner then we thought.

#### LOOKIN' GOOD LOOKIN' GC

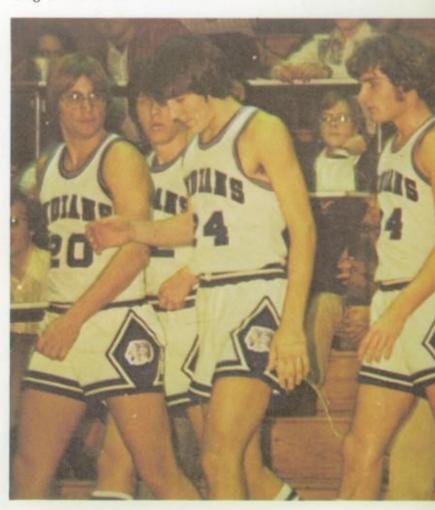

1976-1977 Quiver Staff: Kim Westbrook, Cathy Ozahanics, Anne Dieguez, Debbie Boyd, Cindy Steinhauer, Debbie

Reeves, Fran Pawlak, Rachel Dempsey, Liz Quint, Nancy Payonk, Chris Ryerson, Becky Seberger, and Mr. Fritchley.

Mr. Lewis, choir director, gives the girls and boys choir last minute instructions before going on stage for a concert.

Varsity basketball team: Ken Burke, Tom Kapitan, Dan Barczak, Greg Cowser and Phil Karzewski.

#### DELOOKIN'GOOD LOOKIN'G

There is more room, now that a new addition has been built on to the cafeteria, students seem to enjoy lunch now.

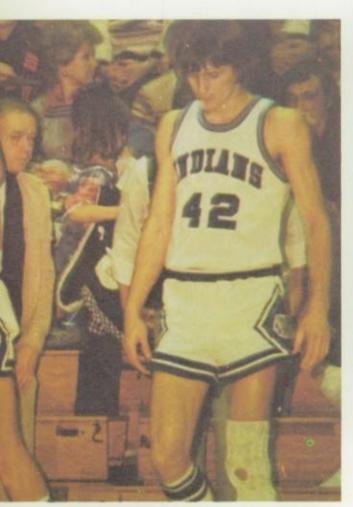

Look'in good, isn't that what it's all about? Seems like LC is always trying to look it's best. Homecoming, the bonfire, the dance, and king and queen. The floats and the yells all looked good.

This year's plays, "1776", "God's Favorite", and "Oliver" were tremendous and brought the audiences to their feet.

The construction started last year and will finish in the 1978 summer. The school will be looking good.

The band won NISBOVA Sweepstakes and second place in the state contest.

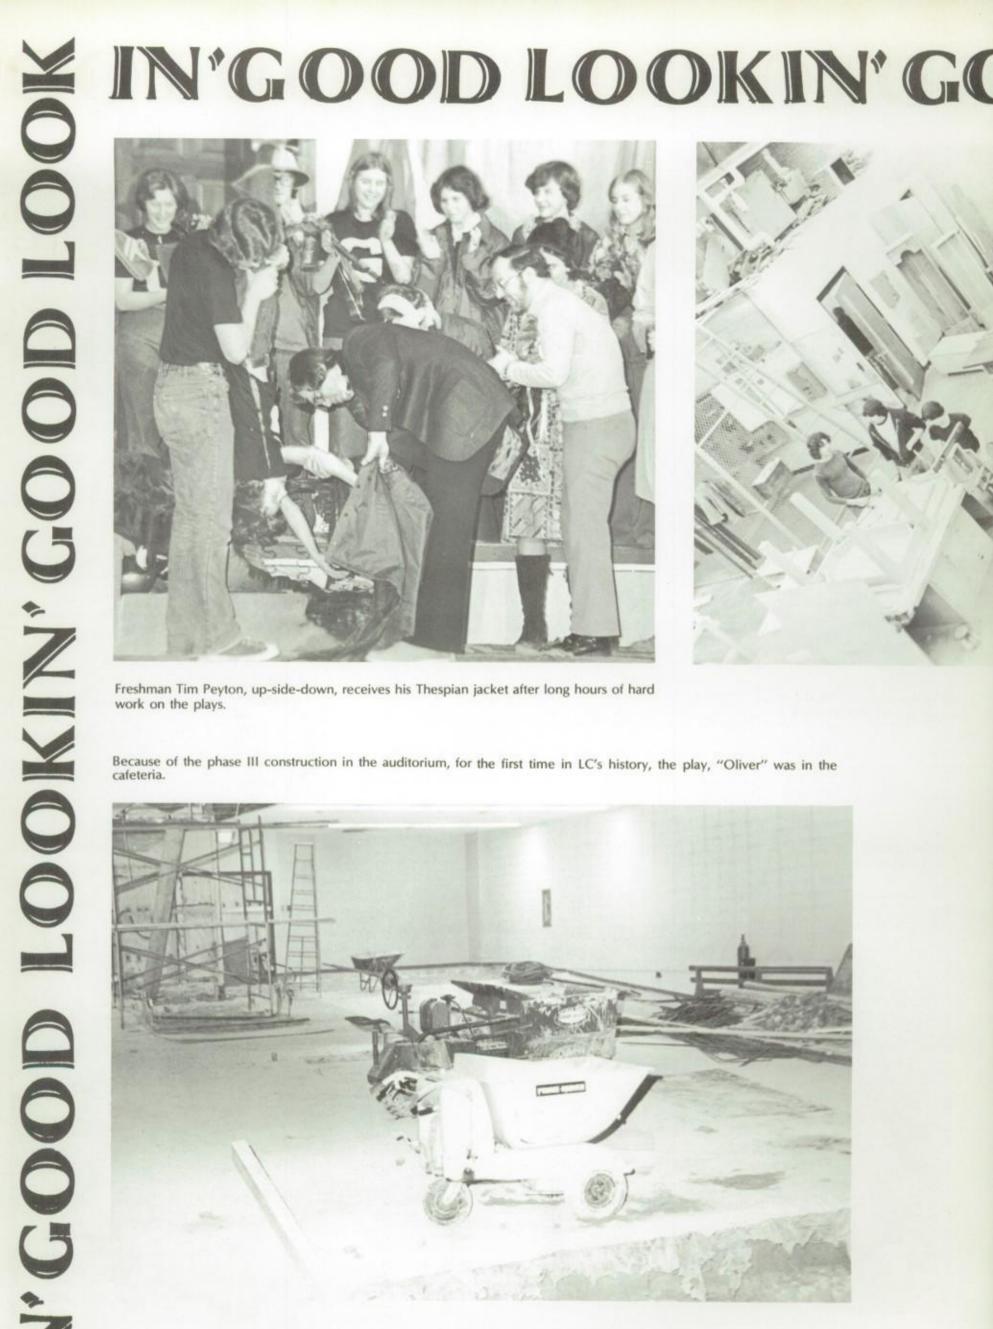

## OD LOOKIN' GOOD LOOK

A "Merry Christmas" was painted on the floor of the foyer to greet teachers, students and visitors who attended school during the holiday season.

In Wood Shop, Mr. Wood, instructs his students on how to sandpaper their projects properly.

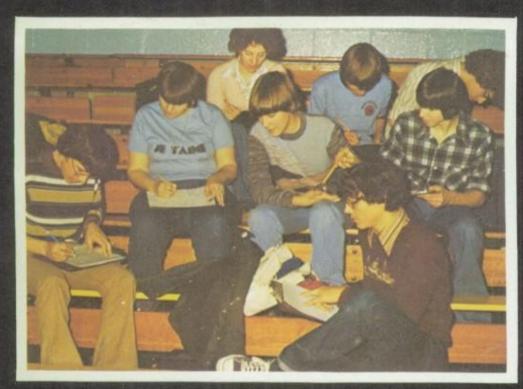

English teacher, Mrs. Crisco, wearing striped socks, seems to know the latest fads.

Senior Debbie Reeves gets measured for her cap and gown for graduation day, which wasn't too far away.

#### Meaningful Memories Linger On

Crew members Kendal Smith, Darryl Carstensen, Sheli Chermak, Dave Boller, and Jim Robinson go over a play's script with Mrs. Lowe.

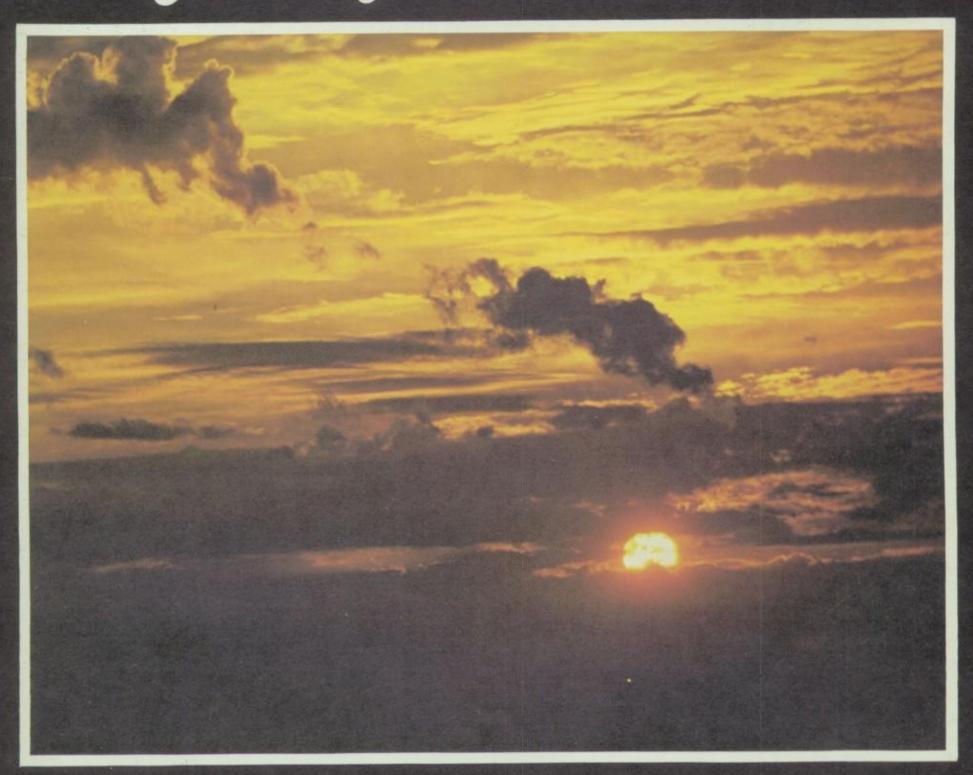

Looking good just doesn't come upon you, it's something you work and practice for your whole life.

After the 2:15 bell, after the buses and cars have left the parking lot, when no one is around, there is peace and solitude.

#### Yesterdays and Tomorrows

One more year has gone by and for some of us we will be leaving. Others will have three years to go, two years, or one more year here at LC.

For freshmen, there's a new beginning and a chance for them to make the best they can out of the next three years that are coming, because they will plan an important role in their lives. Each year will go by and each one will go faster, and if you're not careful now, they're going to pass you by.

And what about the seniors? Wasn't graduation the last day for them? Maybe it was the last day for LC, but it's just the beginning for seniors outside of LC. They are going to start a new life and look at things differently.

For all of us, one thing that will determine where we are going will be our attitudes. Attitude is everything, it will affect our future, our lives and our feelings. Do you know where you're going, do you know what life is for you?

You always should give what you want a try, never give up. Because if you think that you can't do it, then you won't. If you really want something out of life, you can have it, all you have to have is a positive attitude. You've got to tell yourself that you can do anything, and most of all you've got to believe it. I was once told by a great inspirer, and please don't ever forget it, he said, "Attitude, it's you're life, you can walk on it or you can reach for it."

#### "1776"!

The bicentennial was made truly meaningful as the Lake Central Theater Guild presented the public with the play, "1776". The talented cast made our country's fight for independence almost come alive on the stage.

The cast consisted of many alumni and community members as well as current students. The part of John Adams was played by Mike Robinson. Bob Horgash "Bogash" played Thomas Jefferson while Mr. Mike Lewis did an excellent job with his portrayal of Benjamin Franklin. Other cast members included: Jim Oyster Sr., George Witt, Craig Conaway, Randy and Kendall Smith, Dave Boller, Jim Robinson, Larry and Dan Nigh, Jim Oyster Jr., Darryl Carstenson, Brian Sandquist, Marsh Davis, Steve Ballentine, Mike Berglund, Mark Mysliwiec and Dan Madura.

There were only two female parts in the play. Chosen to portray Abigail Adams and Martha Jefferson were Cheryl Robinson and Denise Hesher.

Many hours of hard work were put in by all. Student Directors Cookie Credille and Mary Mysliwiec, assisted Mr. and Mrs. Lowe in putting on another unusual summer play.

Student Directors Cookie Credille and Mary Mysliwiec helped castmates learn lines, songs and dances.

Dan Nigh and Darryl Carstenson take time to enjoy some viewing of their own between rehearsals.

#### Homecoming, a memorable one

Hard work and spirit was put into a week of preparation for homecoming. Classes showed their spirit and decorated halls. Competition was well under way as classes strived for a goal. Freshmen wore blue and white beanies throughout the week. Halls were filled with seniors hunting out freshman to initiate.

After the parade Thursday night, crowds gathered on the field for the yell contest, in which the sophomores won. Freshman won best float. Home-Ec won best non-class float. Seniors captured the hall competition and won the over-all award, the Spirit Stick.

Friday night during halftime, floats paraded around the field and king and queen were announced for the year. Patti Grubbe and Ted Sangalis were chosen over candidates Terri Hart and Pat Lukasik, Emil Linders and Christie Goodall and Dan Mauch and Mary Townsend. Underclass candidates were: juniors, Mike Clark and Vanessa Sangalis, sophomores, Roger Heikema and Sandy Munson, and freshman, Mark Sapyta and Donna Gregor.

Halftime activities ended and the Indians were back on the field. The game concluded with a score of 21-0.

Ron Bergeron happily sings away, as Ryan Bozis, Jim Robinson, and Gayle

Farcus look on. This was the start of a fun filled week.

Seniors Teena Zevkovich, Debbie Berstch, and Cheryl Kilander work on the class float for homecoming parade. The class received the school's

Spirit Stick for their hard work and effort. The few who participated greatly deserved their win.

#### Seniors capture Spirit Stick

Varsity and junior varsity cheerleaders gather on the floor, in a cheer to help liven up the school's spirit. They put much time and effort during

spirit week and devoted many hours to help support the teams drive for victory.

Lake Central hosted a homecoming victory over Gary Emerson. The week had ended and freshman put away their beanies. Their mind full of mixed wonder on how they survived; but thinkin, "It wasn't all that bad, it was kind of fun, the seniors were pretty good to us," in fact, they are the greatest!

Halls were decorated for homecoming to share in the fun for Spirit week. All classes hoped to win the hall competition.

Mr. Terry Jukes, joining in and showing freshmen that their beanies aren't all that bad.

Kay Sato and Shelli Chermak take some time out of studies to help work on the senior float.

Janet Bakker puts some last minute touches on her class float before the parade begins.

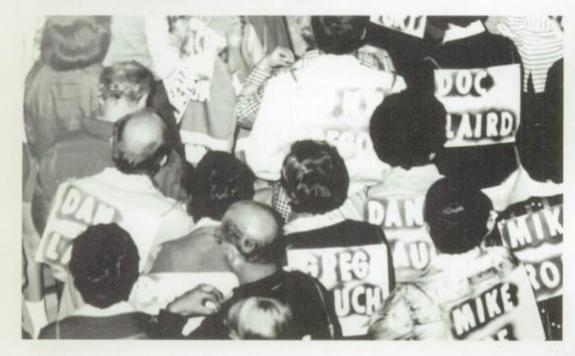

Roger Heikema and Sandy Munson were chosen from the sophomore class as candidates for homecoming.

Sangalis, Mary Townsend and Dan Mauch, Christie Goodall and Emil Linders; and Terri

Senior candidates-Patti Grubbe and Ted Hart and Pat Lukasik were chosen to represent the Senior class.

## A night set aside to honor parents

A night was set aside for those parents whose sons or daughters were involved in some athletic sport, honoring them for their patience and understanding and allowing them to participate in the school's activities. This special event was showing gratitude for those mothers and fathers of the football players and cheerleaders of the '76 season. Athletes put much time into practices after school and on weekends to make their team a winning one. L.C. parents were willing to honor of presenting Mrs. Siedelmann daughters took to involve themselves in a football autographed by the players. such activities.

#### Senior girls hold tradition

Adding humor for the bystanders are cheerleaders, Pat Fagen, George Ei-

chelberger, and Kendal Smith.

The tradition held true again as Senior girls defeated the Juniors 16-12. There were many that participated this year to share in the fun and excitement.

Helping them out with their plays and strategy were Mr. Jim Barber and Mr. Scott Andre. They coached a team of 40 Seniors, who were anxious from the start to get their win. Mr. Bob Engerski helped coach the 60 juniors girls, who played very well for their first year together.

Even though the juniors had speed on their side, the seniors had an advantage of looking back on the year before and correcting their mistakes.

No football game is complete without it's cheerleaders. Each team had their share of cheers and shouts coming from the stands as boys dressed up for some humor and fun.

Seniors stayed ahead throughout the game, and were victorious to the end. But nothing less can be said about the juniors, who kept up and showed their strong tactics on the field.

Here is a familiar scene of the girl's Powder Puff football game. Defending their control of the ball are juniors in the light jerseys. Seniors in the dark

jerseys were victorious in the Annual Q & S Powder Puff football game.

Senior girl passes to her teammate, hoping to score a few points.

Linda Marshall runs for a touchdown as Cindi Hines, her teammate watches on. Juniors played very well for their first year.

Gina Newkirk running for some points to keep the seniors ahead.

In a block formation, the band gets into the swing of the famous "Joshua".

The band used this same song in two former winning NISBOVA shows.

Juniors Cheryl Urycki and Linda Beil find time to do a little clowning.

The band had only a few minutes before getting dressed for inspection.

Senior, Karen Rosinko found that hard work paid off as she led the band to their 13th NISBOVA victory.

The fans were on their feet anxiously awaiting as the band arrived on the field to begin their 10 minute 1976 winning show.

#### Marching Indians win again!

Does three hours of hard practice really pay off? It did for the Marching Indians as they proudly won the Sweepstakes and Inspection trophies at Fort Wayne on October 4.

The 1976 show started with "Fanfare", an entrance written by Mr. Doug Jordan. "Motherless Child", "Artistry in Rhythm", "I've Got You Under My Skin", "Joshua" and "Old Man River" were the other numbers that the winning show consisted of. The band left the field with "Furioso for Bands".

The band received second place at the State Band contest at the Indiana State University stadium on October 18. Pride is the feeling the band experienced when one judge commented, "I can't believe this is only a high school band". The same show was previously used at NISBOVA.

The band went to the Thomas Edison Festival of Lights in February. The contest was at Fort Myers, Florida. The festival lasted for five days. Among the activities were two parades and a field competition.

Many hours of hard work were put into money making projects to raise the \$48,000 needed for the trip. As a whole, it was a well deserved and well appreciated trip in the sunshine for the band and chaperones.

Director, Doug Jordan gives Drum Major Karen Rosinko a big hug as he deservingly clutches another Sweepstakes trophy.

The Centralettes make a formation of a "LC" in front of the band while they play "Fanfare", the entrace of the show. The corps is an additional attraction

and is usually featured in at least one song of the show. The girls must try out every year in order to be in the corps.

A final test is given to Joe Benjamin stensen) comes home blind. Will Joe (Ed Meyer) when his son (Darryl Car- give in and renounce God?

## L.C. Theatre

Sidney Leonard Lipton (Jim Oyster) jumps for joy. He has finally convinced Joe Benjamin that he is a messenger from God, who was sent to Joe.

After Joe Benjamin has taken just about all he can, after suffering much with his family. His devoted family and servants all pray to God

hoping to become free of the curse that has set in on them, nothing seems to be going right.

#### Guild presents 'God's Favorite'

God's Favorite was brought to L.C. this fall, a humorous yet heartwarming play. The story was loosely based on the Biblical book of Job, whose faith in God was tested by the Devil.

A messenger from God, a wealthy hard working man, and a test of faith is what the play is all about. Will Joe Benjamin believe enough, not to renounce his faith in God? A menacing question that went through the minds of the audience as they sat and watched a most outstanding play presented by the students of the theater guild.

Yet, making this all possible are Mr. and Mrs. Paul Lowe, directors of all plays brought to L.C. They should be given much credit for their devotion toward the students and for the outstanding work they have done to build up the theater guild.

A person only has to go to a play, and watch, to find the warmth, friendship and unique talent that are generated from this group of fine people.

The final curtain call with it's cast receiving their applause for an outstanding job. There

is much time put into every practice for final performances.

Joe Benjamin prays to God, even though he has suffered a great deal,

there seems to be no way to make Joe renounce his faith.

Sidney Leonard Lipton tells Joe Benjamin he's best to renounce God, or

terrible things will happen to him.

Sophomores Christie Burke and Rose Stark display their chickens for winning the three-legged race. This year the girls were very competitive.

# BD BD

The three-legged race is one of the most difficult races to do. These girls seem to have it all together but unfortunatly didn't win.

#### FROSH WIN!

The annual Turkey Trot, sponsored by the Letterman's Club, was a nice way to start off a well needed Thanksgiving vacation. The freshmen got an added bonus as they accepted the traditional "Drumstick" for winning.

Every winner from each event was rewarded with either a chicken or turkey as a winning prize. At the close of the contest between classes, total points were tallied together to announce the winning class.

There were several events including the 50 yd. dash for boys and girls separately. One of the funniest races is usually the three-legged race. Also included were the wheel barrow races and the tug of wars. The boy's and girl's mile run was also included. Two highlights of the hour were the male faculty and boys in a tug of war and the female faculty against the girls. These two events give the students a chance to have a little fun with the teachers.

The entire assembly is arranged and controlled by the Letterman's Club. Not only is it a chance for the students to display their talents and compete for fun, it is also a moneymaking project for the sponser.

The Turkey Trot is a well accepted event and is greatly appreciated by the student body.

Strength is the essential element in the tug of war. These girls combined this along with the effort of wanting to win to come up with a victory.

The only expressions shown on the faces of these junior boys is exhaustion. The effort was worth it when they won.

Freshman Clarence Landpost take on the responsibility of being the anchor for the tug of war. Despite their efforts the frosh didn't win.

Coach Rudy Skorupa prepares to begin the boy's three-legged race. All of the events were started and officiated by Coach Skorupa.

Freshman Karen Glandien really pours it on at the finish of the girls mile run. Although she won the race didn't count because of an officiating mistake.

Following the tempo that Mr. Lewis is conducting is the Sr. Treble Choir. All of the girls in this choir are juniors and seniors.

#### "SOUNDS OF CHRISTMAS"

Christmas is always a happy time of the year. When the Choral Department presented "Sounds of Christmas", they expressed their happy feelings with songs.

There are many different choirs that make up the department, all of these are under the direction of Mr. Mike Lewis. The different choirs are: Jr. Treble, Sr. Treble, Jr. Boys, Varsity Boys, Girls Ensemble, Concert Choir and the Madrigals.

The concert lasted almost two hours and was always lively. Each choir sang several songs while alternating throughout the evening. A few members were chosen to sing solo parts in songs. At the conclusion of the program, all choirs joined together to sing the traditional "Hallelujah Chorus". The concert was held for two evenings to make it possible for everyone in the community to see it.

The Choral Department is kept very busy throughout the year. Besides concerts and contests, they also make some appearances in the community. They also manage to sing on the radio at least once a year.

As with the other organizations in our school, the Choral Department is a very well respected group.

One of the most mature and well disciplined choirs is the Varsity Boys. Consisting of mostly upperclassmen, they make many public appearances.

#### FINALS BEGIN!

The thought of the school year being half over is enough to make anyone happy. There is only one problem to this theory, semester finals. Finals' week can be the most annoying time of the year. Studying hour after hour to make sure you know everything you learned during the semester is rough. The actual thought of giving up your weekly television and having a test everyday is certainly enough to make anyone depressed.

The teachers also suffer during this week. They have to make out all the tests and grade them. After this is done they must average out your final semester grade.

The only consolation during this tension filled week is knowing that you're not alone. Every other student in the school is in the same situation. After it's all over, you realize that you've lived through it only to do it again next semester.

This boy finds that studying alone is the best method for him. The school library is just the place to do this.

They are relieved to know that they only have one semester left before graduation.

Seniors Barb Walz and Mike Berglund are going over notes to prepare for a test.

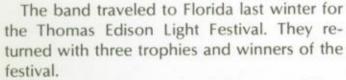

This is a familiar sight during this time. Your locker seems almost empty when you leave school. Eventually as you finish your tests, it fills back up again.

#### Band wins festival in Florida

Bob Potts hopes for the best before marching in the parade. This was one competition the band entered and won.

Lake Central won the field competition, performing the same routine that won NISBOVA.

The time and effort that was put into this seemed well worth it. The band did many things to raise money for their Florida trip. There was a rummage sale, candy sale, fish fry, sucker sale, raffle, paper drive, and a band clinic.

The stay in Florida was not all work. There were many activities planned to keep the band busy. They went to Aquarama in Cape Coral, and had a beach party.

There were many other bands that attended the Light Festival, but Lake Central proved, again, to be the best as they returned with all three trophies.

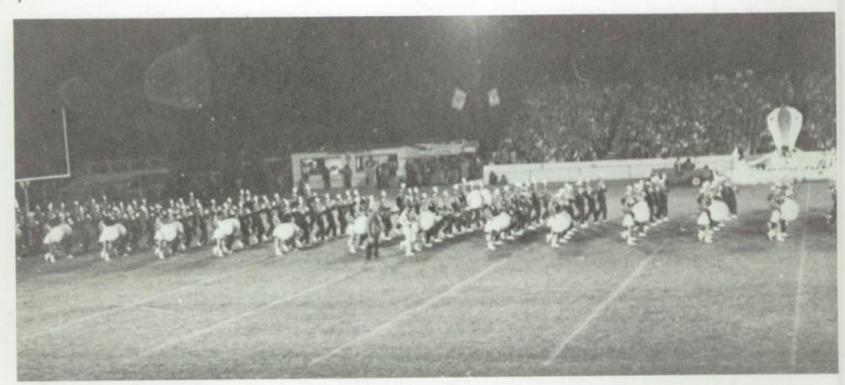

The band's members talk among themselves. It was a happy and memorable moment for Lake Central, winners of the Light Festival, as they return from their trip from Florida.

L.C. lines up with a few of the other bands that came to the Light Festival. There were

many other marching bands that came from Kentucky, Georgia and Connecticut.

The marching Indians step out on the field, waiting to perform their winning NISBOVA show for the crowd. They worked very hard for

this honor. Their efforts were rewarded, returning with all three trophies at the Thomas Edison Light Festival.

Mr. Jordan congratulates Greg Maty and hands him a gold plaque with his accomplishments while in the band. Each senior received this award

A few of the trophies the band won were displayed on the dinner tables for everyone to see.

Guest, Mike Pavell listens to one of Mr. Jordan's many stories of the band's experiences.

# Seniors awarded plaques at band banquet

Band members, parents and school officials filled Sam Remo's for the annual band banquet. A few of those congratulating the band were Mr. Glen Eberly, Mr. Terry Jukes and Mr. George Bibich. They gave speeches commenting on the band's accomplishments and hard work.

For the seniors of Lake Central it was their last time as a group together. This was their last year, and they were given plaques with each years' accomplishments in which the person participated. Band parents were also recognized for their time and help they put in with the students.

To end a memorable evening, Mr. Doug Jordan, band director, was given a calculator as a little thanks for his devotion and understanding when times were hard.

Mr. Glen Eberly was one the guest speakers at the band banquet. He congratulated them on

their outstanding achievements and hard efforts while in band.

Ted Sangalis and Jim Bozek try to decide what they'll have to eat in the new sandwich line started this year at L.C.

The regular meals were still served in the cafeteria keeping the majority of the students satisfied.

Gayle Farcus and Mary Mysliwiec find time to sit down and have a sandwich. Many students enjoyed the new line and the variety of food that was served.

# New lunch line added to program

There's been a lot of changes taking place at L.C. One effective change is the new lunch program. Students have a choice now of what they would like to eat. There's three different lines, the newest is the sandwich line. It came over as a big success to the students at L.C. Before it was entered into the program, members of S.G.A. and faculty tested out the food to see if it was ready to be brought into the cafeteria. Ever since it's been at L.C., the cafeteria gets more crowded and more of the students are paying for their meals rather than paper-bagging' it.

The cooks and all those who help should be encouraged by their work. Keeping over 2,000 students fed and happy can get to be a nightmare: with what they have to put up with as the students push themselves through the lines. But whatever the situation may be, the students are always glad and appreciative to be served the hot nutritious meals that are served day after day.

Lunch lines were always crowded no matter what day of the week it was. The workers kept it moving smoothly as students came through.

The cafeteria was enlarged and new tables and chairs were brought in for the growing number of students at the school.

#### Various assemblies bring interest

Mr. Will Irwin came to the school campaigning for her husband during November elections.

A great number of assemblies were planned for the '76-77' year of school. There was a large variety that interested each student at one time or another. There was always large crowds attending the assemblies, making the entertainers feel welcome.

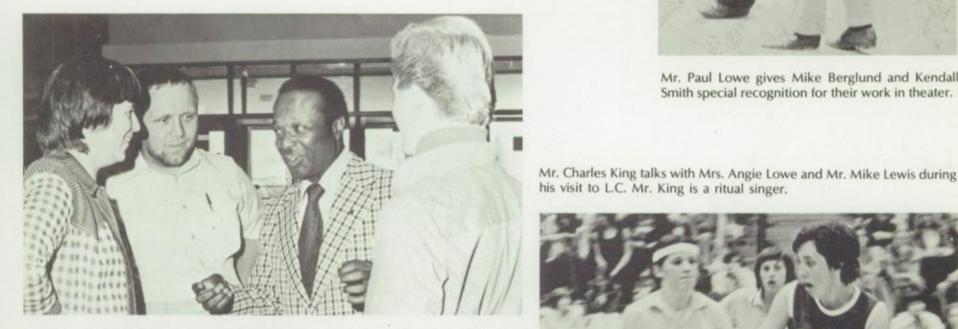

One of the first ones that came to the school was a talented man by the name of Charles King. Mr. King is a ritual singer who enjoys his work very much. He showed his enthusiasm as he worked in front of the students that attended with much interest. Many of the assemblies were held in the gym because of the large crowds attending.

Hoping to promote better crowds at games; wrestling and girl's basketball held games during hours of school. They were trying to show how they've been overlooked. These groups were given credit for their outstanding records.

To sum up the year an all school assembly was given to honor those students or groups of students who have showed special leadership throughout their years of school.

Mr. Paul Lowe gives Mike Berglund and Kendall Smith special recognition for their work in theater.

Ted Sangalis shakes the hand of his op-

ponent during an assembly to promote

students to come to more of the wres-

tling matches that have been overlooked.

Cindy Hines keeps the ball moving as she speeds down the court. The girl's basketball team did very well this year, winning sectionals.

# Spring musical "Oliver" praised by audience!

The Artful Dodger (Kendal Smith), Bet (Sheli Chermak), and Nancy (Debbie Frisinger) pre-

pare to show the pickpockets that they would do anything (for each other).

The spring musical "Oliver" opened the season with a nice note. The cast was equally spread among freshmen through seniors. Freshman Jeff Peyton captured the lead role of the little boy they called "Oliver".

This play was like every other Lake Central Theater Guild production with it's fine talent. There was however one very unique distinction with this play. The auditorium was under construction at the time of the play so the cast performed in the cafeteria. The crew worked twice as hard making sets and stages.

The traditional closing night of the play was carried out when Thespian jackets and blazers were awarded to those deserving. Mark up another one for Mr. and Mrs. Lowe and the Lake Central Theater Guild.

This summer the play "Applause" has been chosen. The play will be open to anyone in the community who is interested in a part.

Nancy, portrayed by Debbie Frisinger, sings "As Long as He Needs Me" in spite of the fact that Bill Sykes abuses her.

Mr. Bumble(Ed Meyer) tries to sell Oliver (Tim Peyton) to the first passer by in "Boy For Sale" because Oliver has misbehaved.

Nancy (Debbie Frisinger) and Bet (Shell Chermak) agree "It's a Fine Life" as Oliver learns that "You Have to Pick a Pocket or Two".

Widow Corney (Jayne Lawrosky) discloses the secret of Oliver's birth to Mr. Brownlow (Dan Madura) while Dr. Grimwig (Joe Maginot) sizes up Mr. Bumble (Ed Meyer).

The Artful Dodger (Kendal Smith), together with Toby (Dave Boller) and Duff (Dan Nigh) tell Oliver to consider himself with the gang.

Mr. and Mrs. Sowerberry (Mark Mysliwiec and Karen Koonce) decide to buy Oliver from Mr. Bumble and Widow Corney to put him to work.

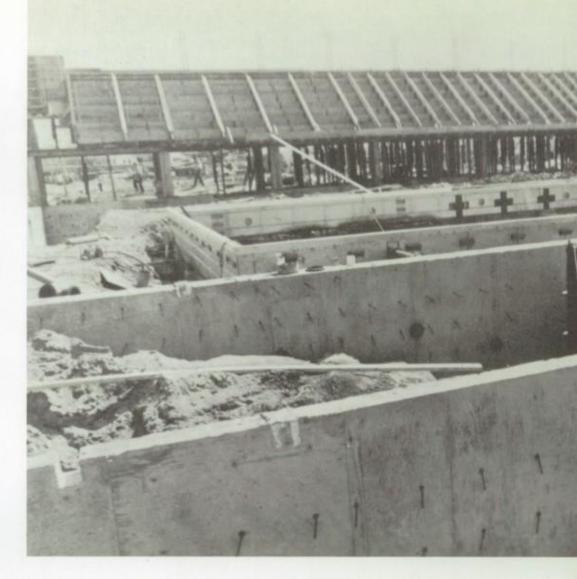

Fagin (Jim Oyster) tells Dodger and the pickpockets he's going to retire and live a life of luxury.

Bill Sykes (Randy Noojin) warns the crowd at the Three Cripples tavern not to mention his name unless they want trouble.

A construction crew installs reinforcing rods for the locker rooms to the new swimming pool which is also under construction.

Left—The new premolded swimming pool is being built north of the E wing. Bleachers are also being constructed for spectators. Above—Two workmen supervise as a crane digs footings for the foundation of the new classroom section.

The school year brought many new changes. The most noticeable one is the construction taking place around the school. New additions are being added to enlarge the school. One of the first things accomplished was the remodeling of the locker rooms and the addition of new ones. This was completed in the beginning of the school year.

The construction consists of three phases. Phase 1 has already been completed. This included the extension on the cafeteria and the building of the stage craft room behind the auditorium.

Phase 2 construction involved renovating the auditorium. The auditorium's projection booth was taken out so more seats could be added. In addition to installing more seats, the auditorium was widened.

Phase 3 will consist of the building of 21 new classrooms and an Olympic-sized swimming pool. Also included in the Phase 3 construction are a new football field with a track around it, tennis courts and more parking space. The cost of the Phase 1,2 and 3 construction project is roughly 3.25 million dollars.

#### Phase 1 complete

#### Faculty vs. Students on the Court

Miss Sandy Herold is caught in a tight situation during the Faculty vs. SGA basketball game. Miss Donna Stackhouse attempts to help her teammate out. Despite their effort the faculty went down in defeat.

Some of the women staff got together to cheer the faculty on. Miss Lil Blaho, Mrs. Donna Denslaw, Mrs. Joan Defler, and Miss Kathy Arbuckle take a break while their team calls for time out.

Mr. Ken Bochen works the ball in for a shot while Mr. Bob Komara follows to help out in case of trouble.

Serious and determined Mr. Mike Hensley never gives up. Even though the faculty is behind. He moves in for a layup, and is successful. Mr. Hensley scored several points for his team.

#### Away from school, Having fun

With the steaks on the grill, it will be only a matter of minutes before everyone is sitting down enjoying their meal.

Cooking steaks on the grill isn't an easy task, unless you know the right techniques. Mr. George Bibich and Mr. Glen Eberly take charge of the grill. In a few minutes many people will be eating some of the best tasting steaks.

Resting up before they go in to relieve these worn out, Mr. Komara, Mr. Linger, Mr. Ossana and Miss Jones watch the game, while Mr. Bochen watches the clock.

School isn't all work and no play. Teachers can have fun too. The SGA challenged the faculty to a simple game of basketball and the faculty accepted the challenge not realizing what was to take place.

After several hours of practice the teams were ready to play. The teams came together on April 8, and what happened after that is history. Despite the never ending struggle the faculty fell to the students. The teachers made up for their defeat the next day in class.

The school staff also took time out from their work to relax and enjoy themselves. Some of the staff came with their husbands or wives and took part in several of the activities. Some people took charge of the cooking while almost everyone took part in the eating.

It was a beautiful day, just right for a picnic.

#### Q & S Sponsor Dance

Quill and Scroll initiation is about to begin. Officers of the club read through the ceremony.

Micky Strehl and Marion Rosario enjoy themselves while dancing at the dance sponsored by the Quill and Scroll.

The Quill and Scroll sponsored a dance this year. Before the dance had always followed the annual Quill & Scroll Carnival. Because of the expense and time involved putting on and cleaning up the carnival it was decided to discontinue the whole affair. The Quill and Scroll use the money made from the carnival to send people to workshops for the summer. Since the carnival brought in less than the dance it was decided just to have the dance.

Members of the Quill and Scroll were consent according to the number of tickets they sold for the Quill and Scroll raffle. Members inducted into the club had a big pizza party before initiation. Those inducted went through a series of torchers and punishments. Despite the dangers it was all done in fun and the initiates lived through it. Mr. Fritchly over saw the whole process.

Students sit and listen to the band. It was the same one that played for Senior Banquet.

New Quill and Scroll members prove that initiation wasn't too bad.

Left: Night classes were offered again this year at Lake Central. Such classes as history, government, plants, and art were offered. Mr. Nick Theiry taught the art class to those wishing to learn.

#### Fun For Each Class

Seniors taking government during the school year had to register people to vote. This not only finished an assignment, but also gave stu-

dents the chance to partake in actual governmental functions. Here Ann Digues is registering people to vote in the foyer.

Lake Central had an open house this year. It gave parents a chance to come in and see what their son or daughter must go through each day. Members of the National Honor Society acted as escorts and guides for the parents. Karen Huber and Rachel Dempsey help point out the way for one parent. During the school year there is something for everyone. Each class has an activity belonging to that class alone. The freshman order their class rings. The sophomores receive their class rings. The juniors have their big candy sale to raise money for the prom. The seniors have so many things, most important—graduation.

The freshman saw many different companies offering class rings and were required to pick one company as the one in which the entire class would order rings from. The freshman class chose Herff Jones as the company to order their class rings from.

The sophomores ordered their class rings towards the end of their freshman year. The rings came in during their sophomore years. The sophomores also ordered class jackets.

The juniors sold candy, photo albums, and had several bake sales. This was done to raise money for the prom. Even though the juniors tried to keep the cost down; they lost money because the coke bar was closed at semester.

Even the adults got in on the school activities. Night classes were taught again this year by various teachers. Some were already teachers at Lake Central while others were working people offering their time to teach others.

This years classes had their activities and will pass them down to the class coming up behind them.

A requirement for advanced biology is to disect a cat. First it was skinned and then disected. Bob Gantz, Brian Sandquist, and Gayle Farcus work on their cat.

#### Jr. Class Welcomes the PROM

This years Junior-Senior prom was held at the House of Lynwood in Lynwood, Illinois. Many couples enjoyed themselves eating, having their pictures taken, and of course dancing.

The Court was announced half way through the evening. The King and Queen was elected by the ballots cast by those attending the prom. Peggy Hilbrich was Queen and Mike Hulpa was the King. The reigning princess and prince was Vannessa Sangalis and Dennis Weatherford.

After the prom many of the couples went home to prepare for the next days activities. The couples got together the next day for another exciting time.

Prom was held on a Friday this year. Any one attending was excused after fifth hour to go home and prepare for their big evening.

selves dancing to the music.

#### Hilbrich and Hulpa Reign

This year's prom was reigned over by Peggy Hilbrich and Mike Hulpa, with their court Princess Vanessa Sangalis and Prince Dennis Weatherford.

The King and Queen with their court have their dance while the rest of the couples watch.

Mary Wysliwiec and her date Tim Haly take advantage of the music and live it up by dancing the jitterbug.

### Outdoor Activities Provides

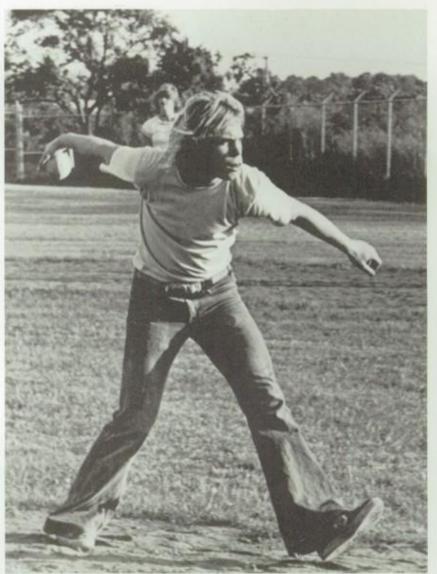

Pep Club members get together for their annual cook out. Although the weather

## Fun, Fresh Air and a Change of Pace

After many hours the Thespian softball game ended and the players returned to the Lowe's house for refreshments. The winning

team put together one final group effort to build a pyramid for their team picture.

Outdoor activities give students a change of pace, a break from school and a chance to take in the fresh air.

Whether at or away from school students get together to have fun. With the warmer weather it is not an uncommon sight to see more and more people outside playing baseball, picnicing, bicycling, or just talking.

Involvement in different clubs give added activities because most of the clubs have get-togethers and cook outs. Not only do you have the chance to have fun, but also to meet other students and make new friends.

In only an hour you can be in Chicago watching a Cub's or Sox's game, or stop by the lake front if that is what you desire. There is always excitement in a baseball game whether you are in the bleachers watching or on the field playing it.

Given all the opportunities, there is no reason to be bored while the sun is shining.

Only two hours away, many students drive to Great America for some fun. Kim Westbrook went to Great America and had her picture taken.

Terry Gubbins, Pat Woods and Mike Burglund visit the lake front after catching a baseball game.

dec, Claire Pawlak, Kelly Veslak, Gordy Mistovich, and Nancy Kilander.

Members of the Mass Choir closed the concert. They sang two selections to end the program.

The two song sung were "The Lord Bless You and Keep You" and "This Is My Country."

"Spring Fever" was the theme for Lake Central's spring choral concert. The concert was presented by the choral department on May 21 and 22. Because of the remodeling of the auditorium the concert was given at Grimmer Middle School. Despite the difference in the surroundings the concert still ran well.

Madrigals lead off the program followed by Junior Treble Choir, then a solo by Sheli Chermak. Girls Ensemble sang, proceeded by a solo by Mike Berglund. Advanced Choir closed the first half of the concert.

After a fifteen minute intermission Girls Ensemble reappeared to start the second half of the program. Debbie Frisinger sang a solo followed by the Senior Treble Choir, the Madrigals, then the concert choir. The program ended with the mass choir singing, "The Lord Bless You and Keep You," and "This Is My Country."

Mr. Mike Lewis directs the choir and puts in much time and hard work to make them run as smoothly as they do. The madrigals practice after school. The rest of the choirs meet to practice on certain hours of the day.

The concert choir will fly to Washington and will sing on the White House lawn. While there they will be able to tour Washington DC, visiting the historical landmarks.

#### Days Finally Come To An End

After honors day assembly the seniors were dismissed from school. Then in a few hours they met again for one last time before graduation at Lemmon Lake. There they played baseball, football, catch with frizbees, and many took walks just to talk.

All the things seniors talked about at the beginning of the year were soon becoming reality. Senior week was finally here. The high school days were almost over.

The seniors activities begin early in the summer and continue all the way through to graduation. It starts with senior pictures then various activities through the year. Senior banquet in April then finals, graduation practice, and honors day. All this leads up to graduation, commencement exercise.

Kay Sato and Tony Betz had the honor of being the class's co-valedictorians while Sheli Chermak, Knedal Smith and Cheryl Laich were the co-salutatorians. In addition, 29 students graduated with a 3.75 grade point average or above.

Superintendent of Schools George Bibich, who has announced his retirement this year, was the guest speaker at the commencement exercises. Mr. Bibich gave the class advice for successful futures. Treat others as you would wish to be treated. Don't be afraid to ask your friends for help. Don't take yourself too seriously.

As the graduates received their diplomas, they were congratulated by Mr. Bibich, Mrs. Whitehouse and Mrs. Blasky. Midway through the presentation Mr. Bibich congratulated his 5000th graduate, Nancy Payonk. Mr. Bibich presented her with a silver dollor that went along a proof set.

#### Quiver Staff is looking good

Advisor Ron Fritchley looks through his journalism library for yearbook texts and references.

Quiver Co-editors Kim Westbrook and Nancy Payonk are busy looking over layouts and pictures that their

staff members have submitted for approval. An editors' job is rewarding but at the same time frustrating.

Fran Pawlak, advertising editor porportions a picture for a layout as her assistant Becky Seberger watches.

Academics editor Liz Quint and her assistant Rachel Dempsey compare pictures to use in their section of the book.

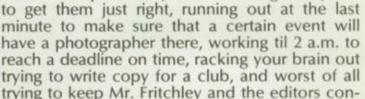

Debbie Boyd and Cindy Steinhauer write copy for their section which is underclassmen. It takes many hours of hard work and patience to develop a layout.

Organizations editor Christie Ryerson and her assistant Kym Uzubell are trying to find the best choice of pictures for the layout that they

are working on. Deciding what pictures to use is harder than you think.

Every summer Quill & Scroll sends incoming editors and photographers to summer workshops at various universities around the country to learn what their jobs demand for the up-

coming year.

This past summer Quill & Scroll sent two editors, Kim Westbrook and Nancy Payonk and two photographers, Laleli Lopez and Al Jarosz to Western Kentucky University for a ten day workshop. Even though it was ten days of learning and working it was a time for fun.

Dolores Bramlet and Judy Scott glance over their Senior section with looks of anticipation in hopes of making it jour-

nalistically correct. They had to deal with 490 Seniors this year.

Debbie Reeves tells her assistant Barb Walz her point of view on the sports section. This is the first year that Quiver has had a female sports editor.

Student Life editor Cathy Ozahanics and her assistant Lea Ann Collins are trying to put their heads together to come up with an interesting layout for their section.

The job of assistant Editor is to take some of the load off of the Editor. The Assistant Editor for the Scout is Nancy Hesch.

Feature writers get together and make up their ideas for the next issue of the Scout. Feature Editor is Cheryl Thomas.

Keeping in touch with the local newspapers is the job of the News Bureau. The editor of this is Patty Milton.

The object of a newspaper is to bring the news to the public. This is done every week at Lake Central by the Scout. The Scout tells the news as it is, the good along with the bad.

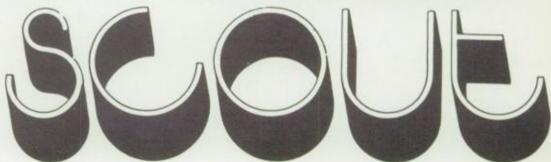

This year the Scout was published in the graphic arts department by Mr. Engerski. This saved money and also gave students the chance to take part in the actual publication of a newspaper.

The Advisor of the Scout is Mr. Ron Fritchly. The Editor is Terry Gubbins. The Assistant Editor is Nancy Hesch and the Managing Editor is Jayne Bakker.

All the reporters check over the events to take place so they can write their news stories.

Lake Central Marching Indians have much to take pride in. The Marching Indians have come out on top 13 out of the last 15 times at the Northern Indiana School Band Orchestra and Vocal Association, NISBOVA. To add to their credits this year the band placed second at state competition.

The bands quality is no longer known by just Indiana. Last year the band marched in the Apple Blossom Festival. This year the band flew to Fort Myers, Florida to compete in the Thomas Festival of Lights. The band took first place in the festival, beating the next place band by 17 points.

The band has many activities in order to raise money for their transportation. The band had rummage sales, paper drives, bake sales, candy sales, a fish fry, a raffle, and a concert.

The band has been declared the best in the north. They have had letters of praise from people such as: Mr. George Bibich; Mr. Mazaleski, general manager of the Rodeway Inn in Fort Myers, FLorida; Mr. Paul Lavalle, director of the McDonald's All-American High School Band; and Governor Otis Bowen.

The '76-'77 Lake Central Thespians had a very successful year performing such plays as "1776," "God's Favorite" and "Oliver." The Thespians are sponsored by Mr. and Mrs. Paul Lowe. With the auditorium being remodeled, it caused a

little inconvenience with the production of "Oliver." It was performed in the cafeteria. But as usual, through the talent and professionalism of the Thespians "Oliver" was successful.

Quill & Scroll sponsored by Mr. Ron Fritchley was involved in the activities of the various publications.

# LCTG. Quill and Scholl. NHS have Successful Year

Well, the Thespians did it again! What a year of hits. Under the direction of Mr. and Mrs. Paul Lowe the Thespians performed such plays as "1776", "God's Favorite," and the spring musical was "Oliver." Due to the auditorium being remodeled, "Oliver" was performed in the cafeteria. That didn't keep the play from being a success.

To become a Thespian one must obtain 15 points. One must work 30 hours before you get one point. When one reaches 30 points, they get a jacket and 60 points earns a blazer.

Quill & Scroll is a club designated for students who are interested and involved in publications. Money raised from activities of Q & S is used to send editors and photographers to workshops around the United States. Quiver editors Kim Westbrook and Nancy Payonk, photographers Laleli Lopez and Al Jarosz, and Scout assistant editor Nancy Hesch spent 10 days at Western Kentucky University while Scout editor Terry Gubbins and associate editor Jayne Bakker went to University of Tennessee.

At the end of the year new staffs and new members of Q & S are chosen by sponsor Mr. Ron Fritchely. At this time the new members must go through an initiation to be inducted into the club.

Honorary students in the senior class at Lake Central are chosen to be members of the National Honor Society by a vote being taken by the teachers of the school. Those students possessing the qualities of scholarship, leadership, service and character become members. Each spring, during one evening, an induction ceremony is held in the auditorium to welcome the new members. National Honor Society sponsor is government and history teacher Mr. Mick Smith.

National Honor Society, sponsored by Mr. Mick Smith gets involved with many LC activities. They had bake sales to raise money.

# Ed Meyer and Jim Oyster Take

The Literary Guild, sponsored by Mr. Lee Quinn read and discussed many books during the year.

Lake Central's Office Education Association competed in local competition and then went on to state competition. April 1 through 3 the girls and their sponsor Mrs. Bibich went to Indianapolis and placed seven times. Cheryl Laich, Peggy Hilbrich, Denise Keilman, Patty Keck, and Diane Aho went on to compete in the national contest at Houston, Texas on May 16. At the national contest Cheryl Laich won first place in accounting, becoming the number one in the nation. Congratulations to Mrs. Bibich and her OEA winners.

The Literary Guild read several books this year. Members of the guild went to see "Dames at Sea," at the Candlelight Theatre in Sumit, Illinois on Sunday, May 22. The play was about three dancers who had boyfriends that were sailors. The theatre where the dancers worked was torn down so the sailors got permission to have the girls perform on the ship.

The Future Teachers of America, FTA, is sponsored by Mrs. Frohock. This club is organized with the idea of preparing its members for their careers as future teachers. They meet and discuss the teaching field and the opportunities open to its employees. With the amount of teachers leaving the field today, in the future there might be a demand for qualified teachers.

# First Place at Forensic Competition

The speech and debate club is sponsored by Mr. and Mrs. Lowe. There is competition every week. Because of the Lowes involvement with the production of a spring musical the speech and debate team only competes during the first semester of school.

At the Forensic meet Ed Meyer and Jim Oyster took first place in duet acting. They did a cutting from "Gods's Favorite." Karen Koonce and Joe Maginot took fifth place in duet acting. Their cutting was from "Barefoot in the Park." Duet acting competition is every other week alternating with speech and debate competition. Lake Central competes with other schools in the area. Practice sessions are every Tuesday and the meets are on Saturday.

OEA, Office of Education Association prepares girls interested in secretarial jobs for the future. This year the OEA had several state winners of competitions, and even a first place winner at national competition.

Members of the speech and debate club given the chance to act and speak in competition with other schools. Lake Central took a first and fifth at Forensic competition.

# "Indiand Skate Heavy in '77!"

Coach Andrew, Coach Washington, and Coach Sullivan talk things over to make the hockey club a winning team.

"Face Offs," are a common sight when it come to hockey games. LC tries their best to defeat their opponents.

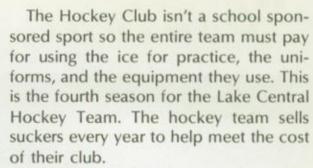

First row I. to r.: T. Kennedy, J. Gelon, N. Govert, D. Sullivan, D. Washington, M. DeYoung, J. Barnett, M. Katona. Second Zienty, K. Cole, Mr. Sullivan.

row: Mr. Andrews, J. Zimmer, D. Andrews, T. Grish, K. Stoups, J. Woods, D.

Team determination to score was a great effort on the part of many players. The players pass the puck back and forth while going down ice. Lake Central hockey team tries their best to win.

Lake Central's hockey club plays other schools in the area. Some of the schools are in Illinois.

Because the hockey club is not sponsored by the school it gets no or little publicity as the other sports and activities at the school do. The crowds are very small at hockey games because very few people know the dates and time of the game. Maybe in the future the hockey club will get the support they need.

Goalie Tim Grish works quickly to keep the other team from scoring. A goalie has to be alert at all times during the game.

Lake Central player Dave Washington races across the ice to score one of his many goals. His teammates follow to help him out. A team effort is needed in hockey. One man can't play alone on the ice.

# Pep Club Kelps to Raise School Spirit

Pep club officers organize the club along with the sponsors Miss Kathy Arbuckle and Mr. Bob Rarich.

The pep club raises team spirit and supports LC in competition both at and away from school. The pep club provided transportation for students to many of the sporting activities and to band competition.

Not only does the pep club join with other students to represent LC, but also they have their own fun. N-teens is one of the most active organizations in the school. Their activities start at the beginning of the year and continue through till the end of the year.

The N-teens sponsor many activities during the year. The most important is the Winter Formal. Preparation for the formal begins early in the year.

Lake Central Student Government As-

sociation sponsors several assemblies and dances during the school year. The SGA received permission from the administration for a dance allowing students to wear jeans as long as the conduct was good. The dance was successful and jeans were permitted at the rest of the dances.

# SGA and N-teens Sponsor Big Activities

Officers of the pep club make plan for their next activity with their sponsors. The officers meet with the sponsors every week and the entire club meets once a month. A newsletter is sent out to the members on the plans made during the officers meeting.

Members of the SGA try their best to make the school better for both students and teachers. LC SGA took part in the students exchange program with local schools.

N-Teens is one of the most active groups at Lake Central. The sponsors of this organization are Miss Stemp and Mrs. Lynn. The most important activity of the year is the Winter Formal.

# Language Students Come Together Agian

Active members of the French club sell candy and stationery annually. Bake sales are held occasionally, all to raise money for the French club scholarship.

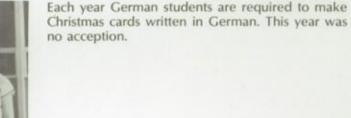

The German club spent several days in Germany during the summer of '76. They visited both West and part of East Germany while there.

On April 10-17 Spanish students and six chaperones flew to Mexico. While there they saw cliff divers, ancient pyramids and took bay cruises.

In class the students were shown some of the places that they would be visiting, so while there they took advantage of their learning. Not only was the trip fun and exciting, but also educational.

The Spanish members flew on American Airlines. The total cost for the trip was \$389. The coat for the trip included transportation, food, tours, and lodging.

Sponsored by Mrs. Lowe, this years French club is outside wishing for a good year.

The German club, sponsored by Mrs. Korem and Mr. Hensley, is the biggest of language clubs. During the summer of '76 some students went to Germany

# Spanish Students Fly To Mexico

While in Mexico the LC visitors saw many of the things the students talked about in school like the old buildings and mosaica.

The Ancient Spanish Pyramids were built thousands of years ago and still can't be figured out by architects of today.

Many Spanish students left for Mexico April 10 and returned April 17. Mr. Al Smith and Mrs. Ballou sponsor the Spanish club.

The boys sportsman club goes outdoors for fun and adventure. They go canoeing and camping. This club is for the people who enjoy the outdoors and fresh air. This club is sponsored by Mr. Doug Jordan.

The girls sportsman club is also sponsored by Mr. Jordan. The girls go camping and canoeing just like the boys. Sometimes the two groups get together for group activities and outings.

The home ec club is sponsored by Mrs. Nancy Lakin. The club goes on outings and has demonstrations put on by florists and other groups along those lines. This year the home ec club sold M&M's to raise money for their scholarship. The home ec department always gives a scholarship to the most deserving student in that field. This years scholarship went to Holly Novesel.

# Orgaizations Make Students Aware

Political Issues Club is spon-sored by Mr. Mick Smith. This club meets to discuss political topics of the time. Officers for the club are: President, Mike Gould; Vice-President, Brad Enslen; Secretary, Karen Madalon; Treasurer, Adrien O'Connor, and Sergeant-atarms, Tim Burrell.

Letterwinners group is made up of the top athletes of the school, both girls and boys.

# Clubs Prepare Students for the Future

The commercial club gives students the chance to participate in the daily functions of a business. The students in this club are the students who work in the school book store. This club is sponsored by Mr. Baker.

Miss Herold and Mr. Brignoni sponsor the art club. The art club members along with some of the art department students enter drawings, paintings, and sketches in competition and art

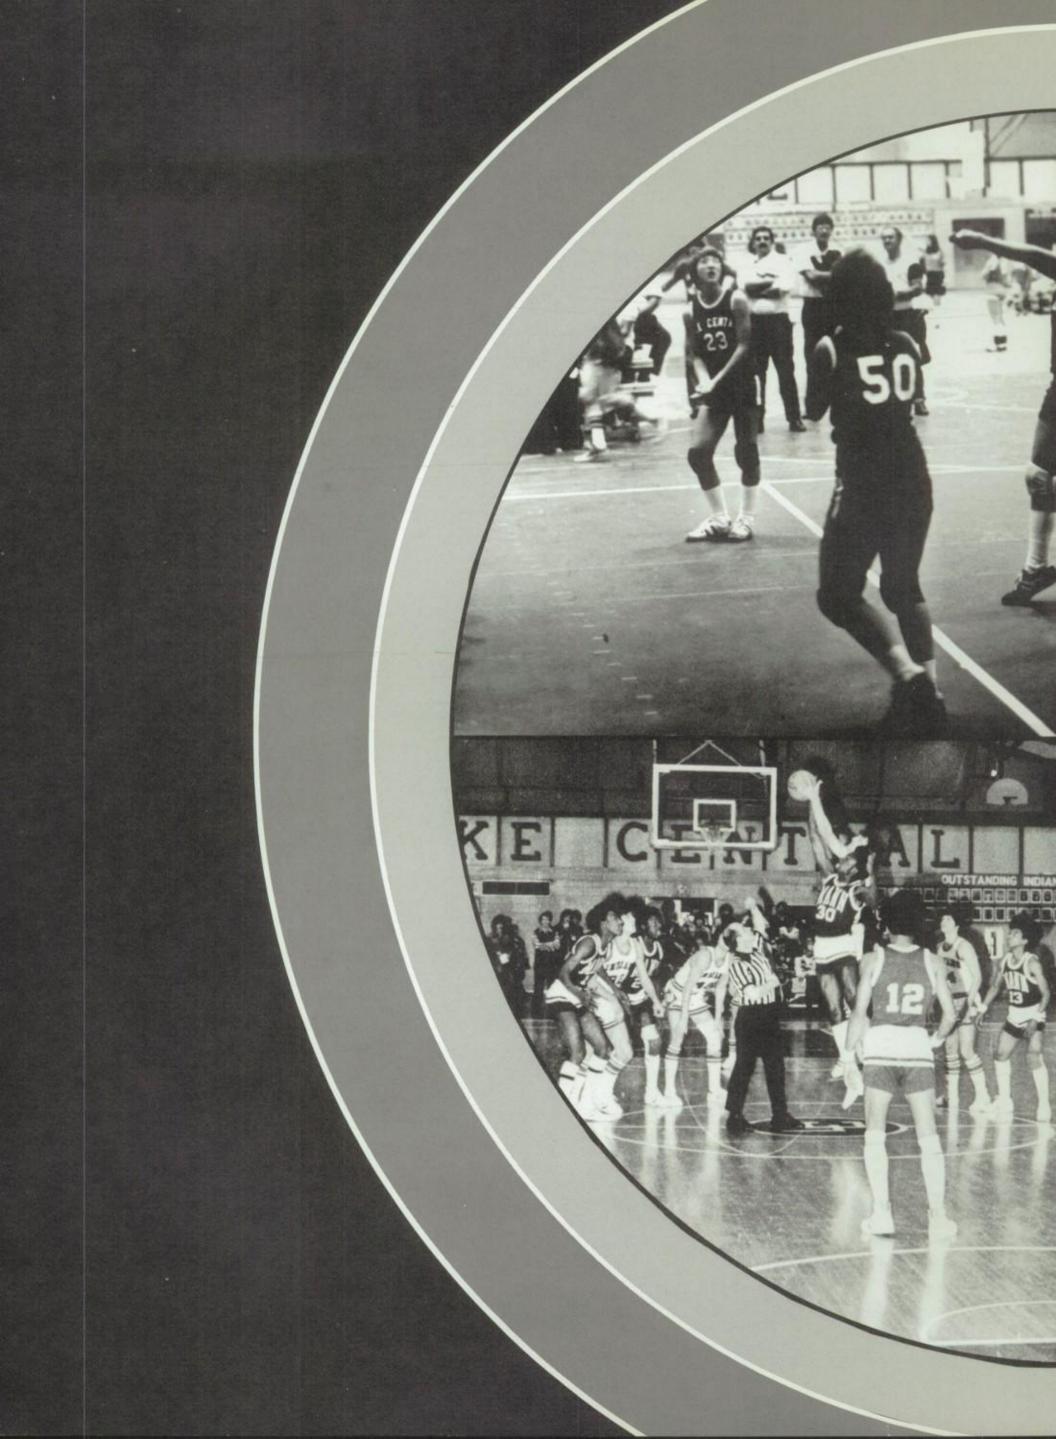

Mr. Daryl Fraley sponsors the ham radio club. Mr. Fraley had an interest in t.v. and radio and wished to pass his knowledge down to others. He teaches radio code to those students wishing to learn and helps them to acquire a ham radio license. He has radio equipment set up in his room and students can start learning from there.

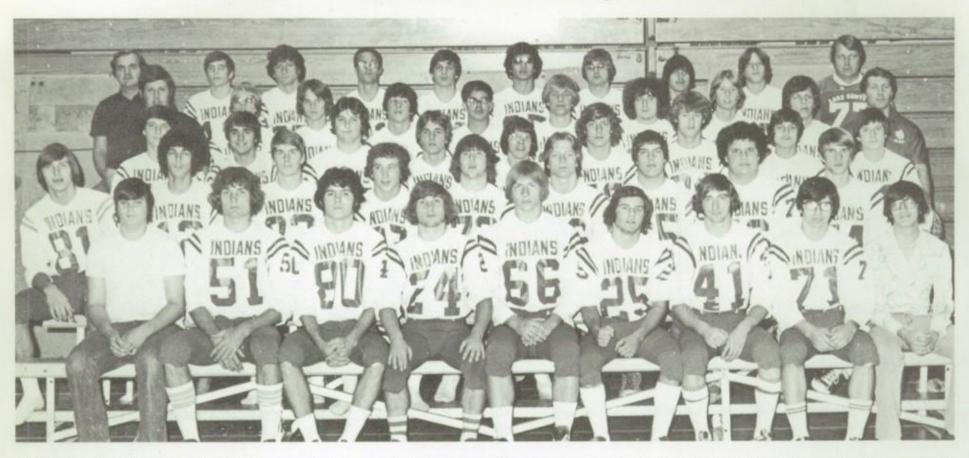

Mr. Roy Rutherford and Mr. Larry Cunningham sponsor the gun club. The purpose of this club is to teach gun safety and to take them out in the wilderness and show them the wild life. The gun club only hunts when it is the season and only the animals allowed by law. This teaches the students the hunting laws also. All club members complete National Rifle Association Firearms Safety Course. The club practice shooting clay pigeons with shot-guns, 22-calliber target practice, reloading shotgun shells, and views wildlife movies.

Weatherford, T. Jewett, N. Andre, M. Roe, J. Gregor, D. Lauer, K. Swisher, and Coach F. Rafa. The Indians were victorious in the homecoming game, 21-0, over Gary Emerson.

The 1976 football team turned things around from their 1975 campaign. The gridmen finished 7-3, one of the finest in recent years at Lake Central. The season's highlights were many. Unfortunately, the Indians bid for a state play-off spot fell short. To make up for the disappointment to the many fans there were several individual performances that gained recognition. The Indians conference record was 3-3.

The offensive squad scored a total of 225 points, being shut-out only once all season by Crown Point. The defensive squad only allowed 95 points to be scored on them as they shut-out four offensive units: Horace Mann, Gary Emerson, Lowell and Calumet.

Junior Ken Kidd led the team in scoring as he cashed in for ten touchdowns. Closely behind Kidd was senior standout Bob Muha. Muha scored eight touchdowns. Junior Jim Williams kicked 23 points after touchdowns. He was only unsuccessful on four tries.

Leading pass receiver was senior Pat O'Leary. O'Leary caught 12 of the 32 passes for the Indians. He gained 210 total yards.

Two-time all-conference choice Greg Cowser (defensive end) blocked two punts. Cowser was selected to the all-conference offensive team as center this year.

Junior Tom Kapitan was credited with 107 tackles and assists. He also intercepted three opposing quarterback's passes. Seniors Mike Shaughnessy, O'Leary and Darrell Cullen followed in tackles and assists with 86, 66, and 62, respectively. Junior John Bober pounced on five fumbles.

During the season the Indians were ranked 16th in the state-wide polls. This was the best all-around football team in the history of Lake Central High School. Many individuals received high honors.

The Indians first game of the season was against East Chicago Roosevelt. The Indians ate up the Rough Riders, 27-6. It was a preview of what was to follow. Junior Jim Williams is kicking off to the unaware Rough Riders. Williams had a very successful kicking season. Muha, Williams, Cullen, Mike Roe and Ron Vallaincourt received honorable mentions for all-conference.

A familiar scene at Kahler field in Dyer. Seniors Cowser and Cullen take a look. In the future, Head Coach Wietcha's men will not have to travel by bus to their home games.

# Six Honored with All-Con-

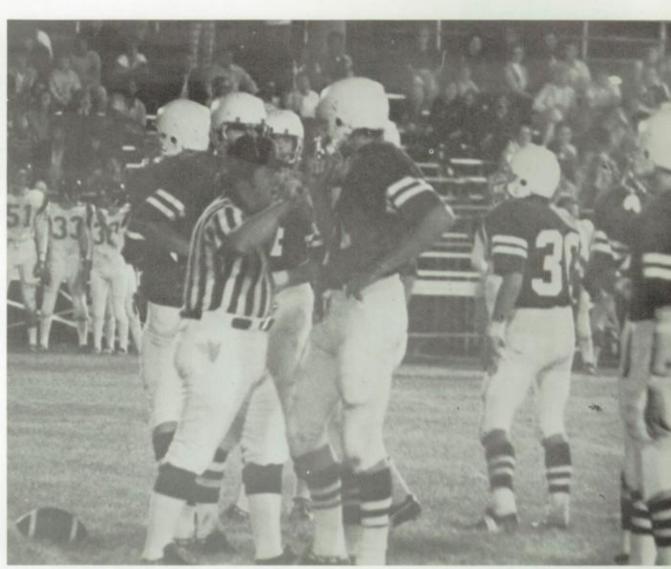

# Gaining Experience to Look Good in the Future

This year's junior varsity football team did not have a large roster as in years before. The team's record shows that they worked for next season. First-year Coach Jim Kiechle and veteran Coach Fred Rafa watched as their team completed a long season. The team compiled a 2-3 conference mark and a 3-5 overall record.

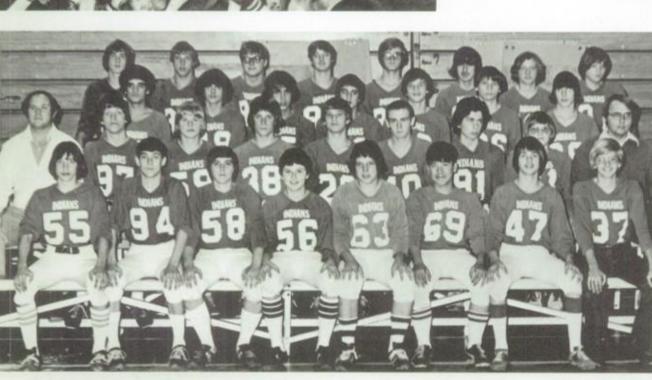

The young freshmen gridmen proved there is going to be some bright spots in the future. Coaches Nick Lemon and Chuck Pollen guided their squad to a 6-2-1 overall record. Conference wise, the Indians tallied a 3-2-1 slate.

The referee is warning the Indians offensive unit to take it easy on the unnecessary roughness. Eventually, the Indians plunged across the end zone for an important touchdown. As usual, the PAT was straight through the goal post.

The defensive unit is in action not giving up an inch of ground. LC's opponents were allowed only 112 first downs as LC's offensive unit compiled a total of 116. That was just one of the many statistics in which the Indians out did their opponents.

Sitting proudly as the freshmen football players with Coaches Nick Lemon and Chuck Pollen. The Frosh posted a record of 6-2-1.

Members of the varsity team are (l. to r.): A. Anderson, K. Burke, T. Kapitan, D. Barczak, P. Karczewski, G. Cowser, C. Barsic, R. Gottschl-

ich, P. O'Leary, D. Sjoerdsma, G. Gullickson and M. Dermody. Coach T. Linger and Asst. Coach T. Peyton are kneeling.

This year's varsity basketball team had a lot to prove. LC cagers had to rebuild from last year. The Indians had one returning starter, Greg Cowser, from last year's undefeated season.

The Indians season record was eight hard fought for wins and 12 tough losses. Conference wise, the Indians had a 3-3 record.

Rudy Gottschlich, senior letterman, received the mental attitude award. Mike Dermody received the award for most assists. Dermody set the school record for assists this year. Andy Anderson, returning from a successful JV season last year and a fruitful varsity season, received the award for best free throw percentage. Anderson hit 77 percent of his shots from the charity stripe. Senior center Greg Cowser was awarded four honors. He was elected to the all sectional and all conference teams. He was also awarded trophies for rebounds, best field goal percentage and MVP on the varsity squad.

All the varsity cagers did fine jobs. Many of the teams the Indians played this year sought revenge for last season, as the LC cagers racked up a perfect season record of 20-0.

The 1976-77 basketball season ended for the strong junior varsity squad with the winning record of 14-6. Coach Dave Nelson's boys have a bright outlook for the next two basketball seasons.

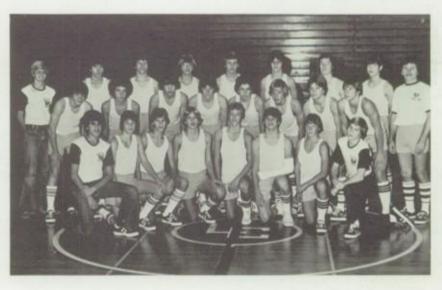

Coach Ken Bocken's freshmen squads completed a successful season. The freshmen "A" squad completed a 11-5 season. The members of the freshmen "B" squad dazzled the crowds. They had a sensational record of 15 wins and 1 unfortunate loss.

All three basketball teams have a bright future. The teams have the potential to produce winning squads. The only thing they lack is moral support. Teams with potential need to play in front of crowds.

Members of the JV team are row 1, l. to r.: R. Heikema, J. Huppenthal, T. Melcic, J. Brew, R. Slawinski, T. Laskey and Mgr. B. Bane. row 2, Coach D. Nelson, G. Dean, D. White, J. Galinsky, C. Barsic, B. Lail and R. Luketich.

Coach Ken Brocken and members of the freshmen "A" and "B" squad kneel and stand proudly. The young Indians gained much experience for their future years to come in the LC basketball program.

Senior Mike Dermody is working the ball to find an open LC cager.

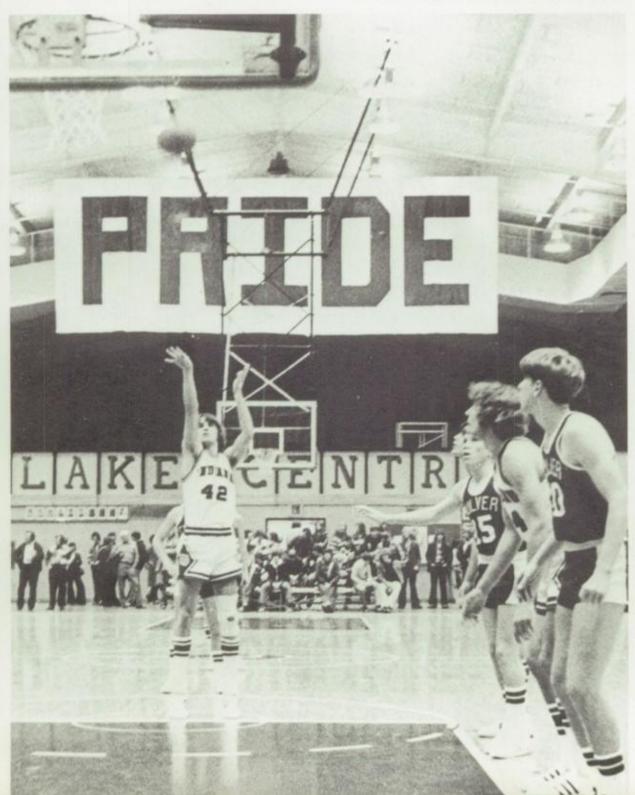

Rudy Gottschlich, senior letterman, is battling for the all important rebound. Gottschlich received the mental attitude award. Junior Dave Sjoerdsma is a well-rounded player with good skills both offensively and defensively. Here he shows his skills defensively.

# Wielgos Qualifies for State

Seniors Jim Robinson and Pete Wielgos relax and concentrate on strategy before competing in their conference meet.

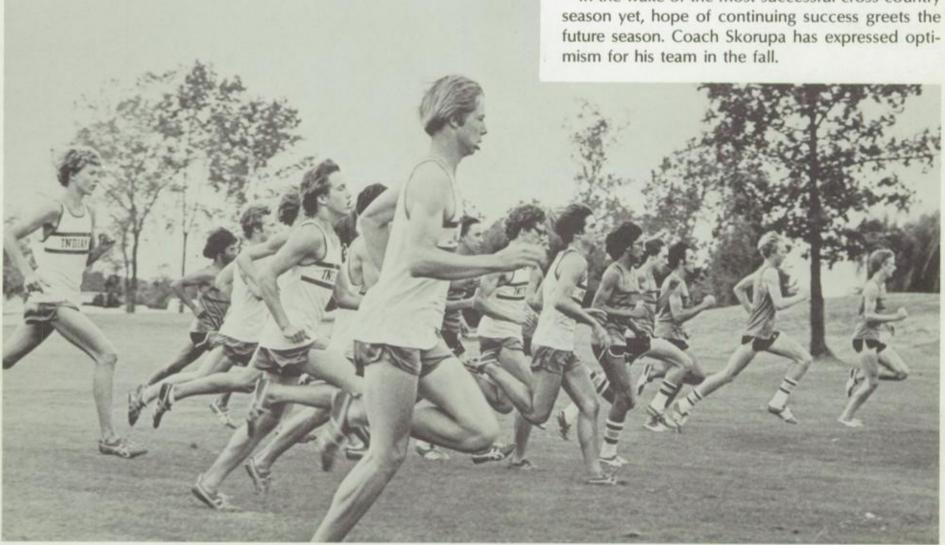

Lake Central's productive cross country season was highlighted by Senior Pete Wielgos's qualification for the Indiana State Cross Country Meet. Midway through the LaPorte Regional Meet, Wielgos suffered a broken ankle. Despite this handicap the senior harrier managed to finish 9th out of 126 runners to become the first Lake Central harriers ever to qualify for the state meet. But his disappointing injury prevented Wielgos from competing in state competition.

In 1975, Wielgos became the first runner in the school's history to qualify for the regional meet in which he placed 14th. This season Wielgos was Lake Central's top scorer in every meet and earned 3rd place finishes in the conferences and sectional meets.

Senior Jim Robinson, another outstanding harrier, finished 5th in the conference meet and 7th in the regional meet. Senior harrier Pat Fagan also proved to be a consistant runner for Lake Central. Underclassmen Tom Struzik, Andy Banks and Jim Bowdish showed great promise for the upcoming season.

Coach Skorupa's "Rabbit Chasers" had an exceptional team performance. The Indians captured first place as they were hosts to their own invitational. The "Rabbit Chasers" chalked up 2nd place finishes at the East Gary Invitational and at the Viking-Raider Invitational in Valpo. Most important of all the LC team placed 4th in the Crown Point Sectional to qualify for the LaPorte Regional Meet.

In the wake of the most successful cross country

The Indian harriers get off to a good start in their dual meet with Griffith. But the Griffith runners proved to be more durable as they won the meet from

Lake Central. Although Lake Central had a successful cross country season they were only 1-3 in dual meet competition.

# LC Cheerleaders Raise Indian Teams Spirit

LCHS 1976-1977 varsity cheerleading squad consists of four seniors, two juniors and one sophomore. Captain of the varsity is senior Beth Bachnak, who has been a cheerleader each of her four years. Other seniors on the squad are Peggy Hilbrich, who has been a cheerleader for four years, Cindy Stecyk, who has been a cheerleader for three years and Mike Berglund, who has helped the girls perform acrobatics and stunts for two years. Mascot Kathleen Shaughnessy and Jane Gerlach are the squad's two juniors. Both have been cheerleaders for three years. The lone sophomore, who has been a cheerleader for two years, is Sharon Blaize.

Junior Kathi Buchler is captain of the junior varsity squad and has been a cheerleader for three years. Chris Dinges, Chris Kreevich and Carolyn Skinner are three of last year's freshmen "A" squad. All three moved up to the junior varsity together this year. New to this year's squad is Sandy Munson.

Members of the freshmen "A" squad are Lynn Tomsic, Sandy Fagen, Carolyn Walker and Linda Gottschlich. Members of the freshmen "B" squad are Jill Truman, Dina Haviley, Vicki Tewell and Sue Krumbein.

All four squads went to a summer camp at Ball State in Muncie. While attending the camp the LC cheerleaders met cheerleaders from other schools and learned new routines. Miss Kathy Arbuckle is the girls' sponsor. She is also the sponsor of the Pep Club. Key chain and bake sales helped the girls to raise money for their expenses.

Using his winning serving style is MVP Gary Dean. Dean was 5-1 in conference play.

Senior Mark Richard competed on the LC tennis team four years.

# Racquetmen Still Looking for Home

If only the racquetmen had a permanent place to practice and have home matches they would look incredibly sharp. Coach Dave Nelson's racquetmen compiled a 3-9 overall record, 1-5 conference slate and a 1-1 record in sectional play. The Indians lost to the Lowell Red Devils in sectional competition.

Most valuable player sophomore Gary Dean was the No. 1 singles player. No. 2 and No. 3 singles players were sophomore Rob Slawinski and junior Bill Gielniak, respectively.

Senior Mark Richard and sophomore Jeff Mayer teamed up to play No. 1 doubles. No. 2 doubles players were senior Jeff Peyton and junior Bob Cooper.

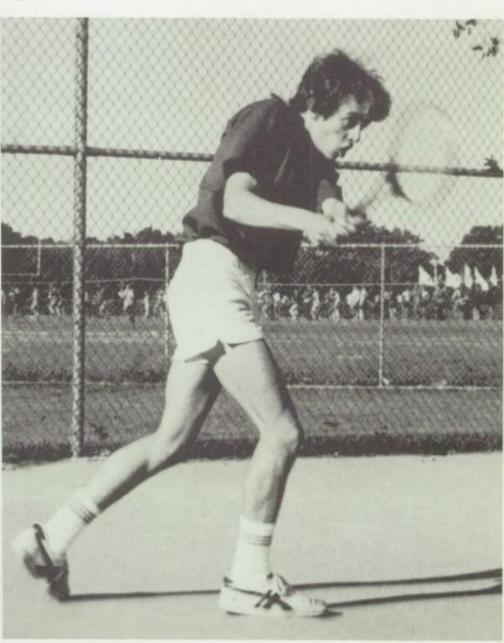

Junior Bob Cooper working hard and gaining experience for next season.

A bright spot for LC in the future is Gary Dean.

# Matmen send two to State, Sangalis & Triumph!

Head Wrestling Coach Bob Komara was enthused with his matmen as eight individuals came forth to win sectionals. Two gained regional titles and went on to state were senior Ted Sangalis and junior Tim Triumph. They finished a 4-6 season, second place at the East Chicago Invitational and fifth at the Hammond Tourney.

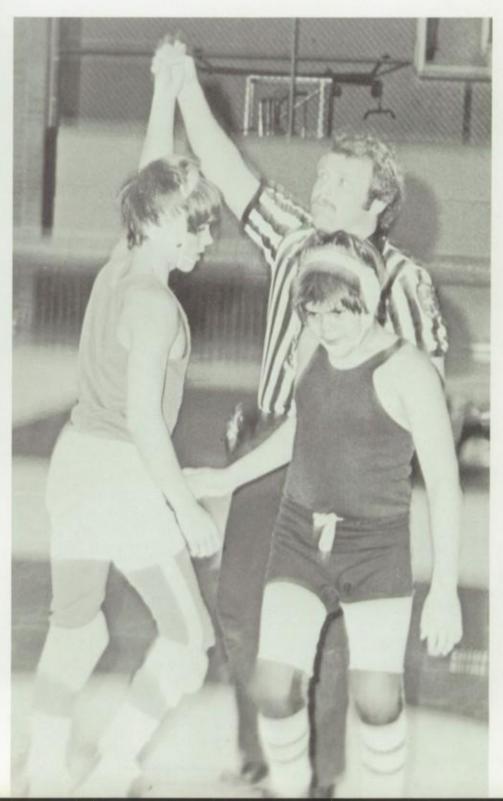

Sangalis at 112 lbs., was a Lake Suburban Conference Champ, sectional, regional winner and second in state. Sangalis' season was profitable as he has been awarded MVP, 14 pins and a season record of 30-1. Senior Mike Roe, gave a strong effort towards the teams strategy. Roe was awarded conference champ along with Sangalis. "Grappler of the Year" Roe had a season slate of 15-6.

Most Valuable Wrestler Ted Sangalis has been looking good his past four years as he displays numerous awards.

Frosh Ron Johnson defeats another unwary opponent. Being only a freshman, Johnson is sure to be one of the future, "Komara Killers."

# New Volleyball Coaches at LC

Members of the 1976-77 varsity volleyball team are bottom row Bonnie Betz, Kim Anderson, Donna Wagner, Pegi Gallas, and Karla Bozek. Top row is Marcia Perrings, Laurie Benninghoff, Rhona Burke, Kathy Morrison, Cheryl Laich and Coach Sandy Jones.

Serving is also an important fundamental. Serving the ball across the net is the only way possible to score. The team serving is giving a point as long as the other teams fails to return.

Teamwork is the Key

Volleyball at LC had two new faces in its 1976 season. New coaches for the fall sport was varsity Coach Miss Sandy Jones and junior varsity Coach Mrs. Gail Gawenda.

Miss Jones' main goals were teamwork and to teach the basic fundamentals of power volleyball.

The varsity girl's record was 11-8 overall and conference being a disappointing 1-5. In sectional play, the lady Indians were defeated by the Munster Mustangs, who eventually won the sectional title. The Indians fought hard but were defeated in the first match 12-10 as time ran out. The Mustangs put the Indians away 15-4 to easily win the game.

Even though the girls lost, many felt that it was their best game they played all year. Junior Rhona Burke commented, "It was the best we ever worked with each other." Next season five strong varsity players will be back.

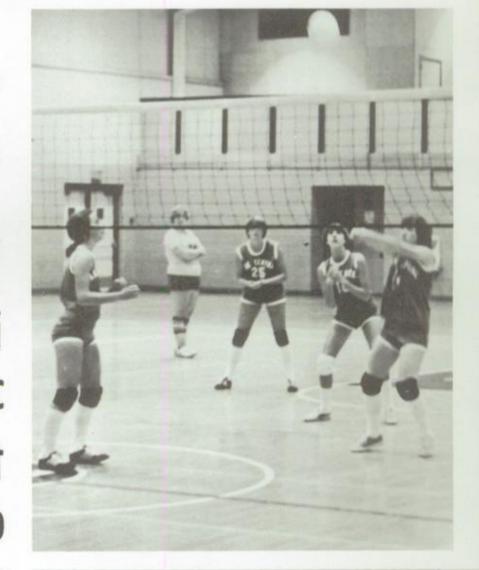

Coach Gawenda and the 1976 junior varsity members completed a 9-9 volleyball season.

Hopefully, the girls gained enough experience to better themselves for next season. Some of the girls will compete on the varsity level next season.

Most valuable player for the varsity and junior varsity was Pegi Gallas and Deena Painter, respectively. Pegi Gallas, again, was named to the Girls All-Conference Volleyball team.

Members of the 1976-77 junior varsity team are bottom row: Shelly Britton, Karen Glandien, Donna Heintz, Paula Bozek, Deena Painter and Donna Gregor. Top row: Shari Sears, Nancy Kilander, Jo Anne Young, Chris Dinges, Kathy Ryan, Val Govert and Coach Gail Gawenda.

The lady Indians are in action using the tactics of power volleyball. Bumping, setting and spiking are the basic fundamentals which Miss Jones stressed.

# CENTRAL CENTRA

Members of the 1976-77 girls varsity team row 1, I. to r.: L. Beil, P. Gallas, K. Morrison, D. Misewicz, J. Raymond and L. Kirk. Row 2:

Coach S. Peters, Mgr. K. Webb, C. Hines, K. Buchler, R. Burke, L. Benninghoff, D. Wagner and Mgr. V. Parducci.

Members of the 1976-77 girls JV team are row 1, l. to r.: M. Duncan, D. Gregor, D. Richards, K. Bozek, S. Sears and D.

Painter. Row 2: Coach B. DeMuth, P. Bozek, M. Jackson, J. Truman, J. Young, K. Burke, J. Upchurch, B. Stark and L. Smith.

The lady cagers had a fantastic season as they stashed away many honors. The girls won the Lowell Sectional by defeating Calumet 48-27. They also tied for second place with Crown Point in the Lake Suburban Conference. LC's ladies were 4-2 in conference play. Their overall record stood at 11 wins and 3 losses.

In sectional play, the Indians were 2-0. They defeated Lowell 56-41 to get to the championship game. Coach Sandy Peters said that it was the best game she's seen the girls playing as a team all year. "They had excellent teamwork and their defense was great. They all contributed to take on their victory," she commented. In the championship game LC beat Calumet 48-27.

In regional play the Indians were stopped by East Chicago Roosevelt 57-40. E.C. Roosevelt went on to win the state championship.

Rhona Burke and Cindy Hines, co-captains of the all junior team, were selected to the all conference team. Also, Cindy was voted the most outstanding girls' basketball player in Northwest Indiana. Deb Misewiecz, Rhona Burke and Cindy Hines were awarded trophies for defensive player of the year, offensive player of the year and most valuable player of the year respectively by Coach Peters.

The JV girls basketball team had a fine 12-3 season. The future looks good for the girls' basketball program at LC. MVP on the junior varsity squad was freshman Laura Dunn.

# Lady Indians Beat Calumet Warriors, 48-27, for First Sectional Title !!!

Junior Indian Cindy Hines goes up for two against Bishop Noll. The lady Indians beat Noll 56-47 at home.

The girls track season for 1977 started on March 28. Their first meet was against the Crown Point Bulldogs and the Whiting Oilers. The girls started off on the right foot by taking a second place.

The job of coaching is a new experience for coaches Mr. Bob Rarick and Miss Joanne Urbanik. They are a whole new coaching team and they are trying to make many improvements to make the girls track team a winning team.

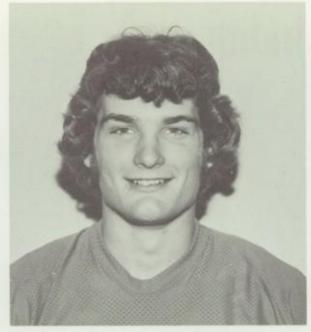

The team consists of 21 freshmen, 12 sophomores, 18 juniors, and 3 seniors. Since the team is almost all freshmen, there is room for improvement for the next four years. By the time the freshmen are seniors the team should be well on its way to victory.

Freshmen tracksters practice hard and long for their meet. There are 21 freshmen on the girls track team this year.

Lake Central's varsity golf team concluded their season by taking seventh in the Lafayette Tournament.

The team also took fourth place in the Lake Hills Invitational Tournament.

Coach Tom Peyton was happy but even more elated taking first in conference. Lake Central beat Munster by the score of 146 to 150, which was a new record for the Indians.

Mark Swisher tied the school record by shooting a three under par, 33. Gary Dean shot a par 36, Jeff Tussey 38, Mark Beggs and Mark Mandich both shot a 39.

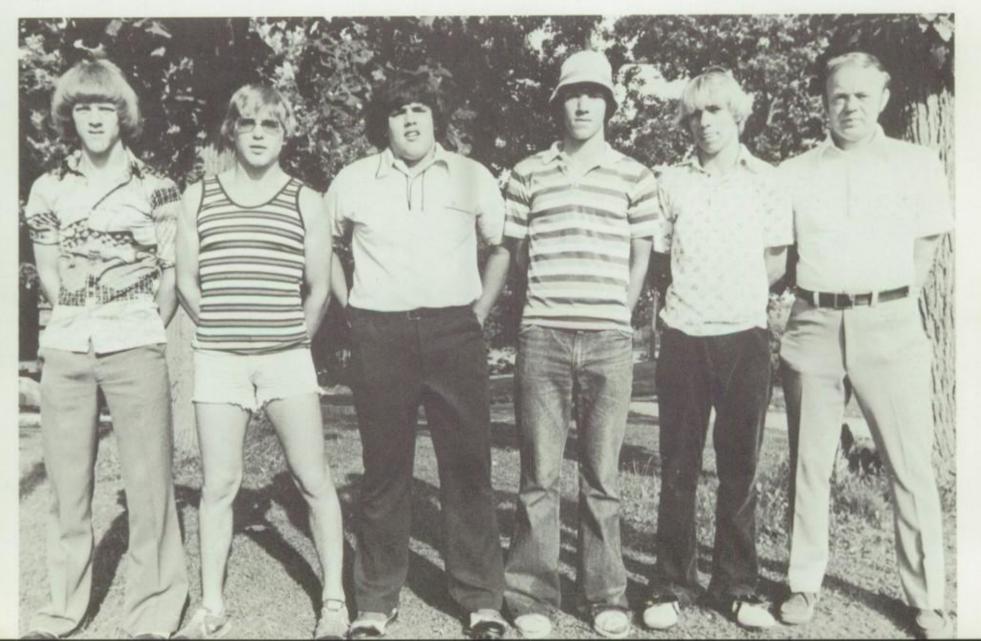

This was the first time since Coach Tom Peyton has been coaching that Lake Central has taken first in the golf conference. Coach Peyton said, "I'm really proud of the varsity team. They gave everything they had to give and really worked at it."

The varsity finished their season with a record of 14 and 3 and ended up the conference at 10 and 2. This state assured Coach Peyton's men of a conference championship.

# LC Golfers Have "Success on the Green"

Mark Swisher practices his swing. Mark Swisher tied the school record by shooting a three under par, 33.

Jeff Tussey, only a junior, was 5 strokes behind Mark Swisher. He will return to the golf team next year.

Gary Dean shot only three strokes behind Mark Swisher with a 36. Next year he might even break the school record that Mark Swisher tied.

#### Senior Mike Dermody Tosses No-Hitter!!!

Mr. Al Pilarcik coaches the varsity baseball team. The varsity baseball team ended the conference with a record of 4-8. Mr. Pilarcik keeps his players in strict order.

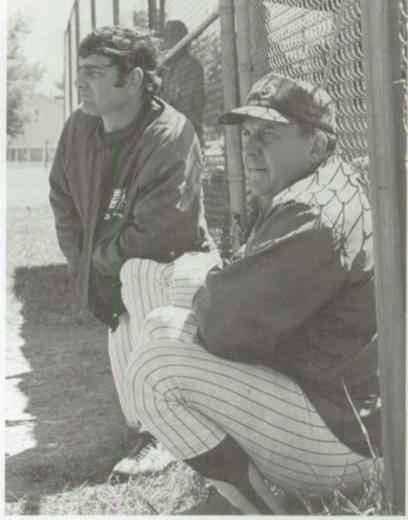

Coach of the junior varsity baseball team is Mr. Richard Ossanna. The JV had a conference record of 4-10.

Starting the freshman off in the baseball swing is their coach Mr. Mike Hensley. The freshman finished their season with a conference record of 15-3. Next year many of these players will be on the varsity or junior varsity baseball team. That is why it is important to start them out right.

#### Best Athletes Are Awarded At This Years

The 1977 spring sports banquet began after a short invocation by principal Glen Eberly. Mr. Michael Poi welcomed every one and introduced the coaches.

The first awards were presented by Mr. Al Pilarcik, the varsity baseball coach. This was followed by Mr. Richard Ossanna awarding the Golden Glove winners Neal Govert and Greg Mauch.

Next was Mr. Tom Peyton introducing his Lake Suburban Conference Golf Champions. They were Gary Dean, Mark Mandich, Mark Swisher, and Jeff Tussey.

After a break for a rafle Mr. Rudy Skorupa awarded many of his Lake Suburban track members. Mr. Bob Riarick presented awards to several of his girl runners.

This year the Booster Club sponsored three banquets. This gave enough time for each sport and its players to be recognized. Mr. Ed Wietech closed the banquet.

The Booster club puts out much time and effort each year for the sports program.

Coach of the freshman baseball team, Mr. Mike Hensley gives an award to one of his

freshman players, John Docotr.

New to the coaching staff Miss Joann Urbanik presents an award to Linda Marshal. Linda is a junior. Left: Greg Cowser proudly stands with his trophies. Greg was All-Conference Foot-

ball, All-Conference Basketball, Most Valuable Basketball, and Outstanding Athlete of the Year.

#### School Board Faced With

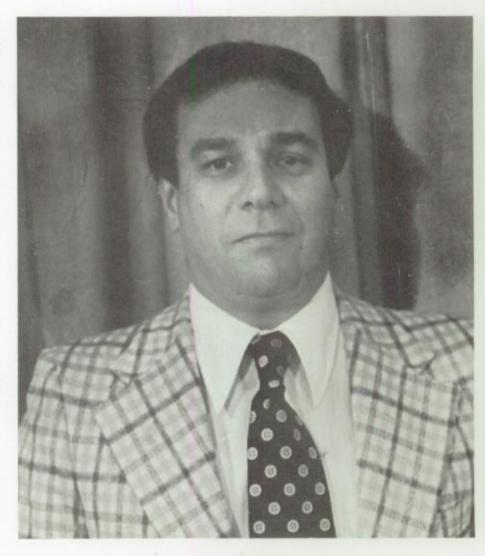

The Lake Central School Board members meet every other Mondy night to board was met with a proposal to close the corporation schools for a month discuss issues which are facing the school corporation. In early 1977 the school due to short supply of heating fuel.

Every other Monday night the members of the Lake Central School Board meet to discuss current problems and plans concerning the school corporation.

The school board has been responsible for initiating the Phase III construction that Lake Central High School is now undergoing. A new locker room facility at the south end of the building has been completed while other projects are still underway. The football field which will be located north of the school should be completed in the near future. The foundation for the swimming pool has been poured and covered. The auditorium is being enlarged to both increase the audience seating capacity and to provide more on-stage and off-stage area for performers and speakers to use.

A severe January-February cold spell prompted the school board to consider closing school for a month. The proposal of a shutdown followed a week-long school closing that had been caused by a shortage of heating fuel. The board decided against closing the schools but proceeded to take precautionary measures. These measures included plans to broadcast assignments for all of the students in the corporation public schools on WCAE channel 50.

# Educator Bibich Retires

Superintendent George Bibich, who is recognized statewide as a leader in public school administration, has retired after 22 years as chief administrator.

Above—Mr. Don Guilford checks through his staff information. Mr. Guilford is the assistant superintendent and director of personnel. Right—Administrative Assistant and Business Manager James Watson catches up on paperwork. He is in charge of purchasing materials for the school corporation.

Lake Central High School Corporation Superintendent George Bibich has retired from education after 22 years as chief administrator of the corporation. Mr. Bibich is known statewide as a leader and an innovator in public school administration. During his tenure, he has seen the corporation grow from Dyer Central High and St. John Township Grade School to one high school, two middle schools and four elementary schools. Lake Central High School and its two large additions, have been major undertakings during his administration.

Mr. Bibich has been assisted in the central office by Mr. Don Guilford, assistant superintendent and director of personnel; Mr. James Watson, administrative assistant and business manager; and Mr. Fred Jones, director of school services.

Transporation and lunch programs for the corporation are two responsibilities of School Services Director Fred Jones.

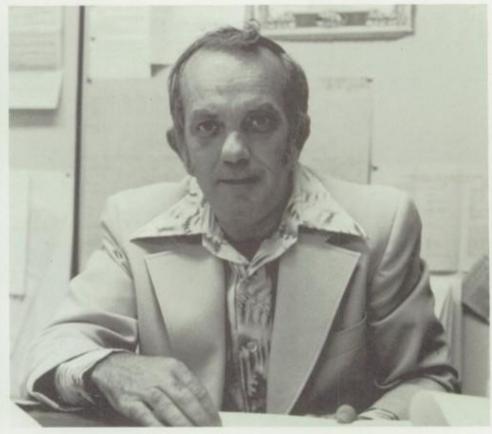

# Staff Runs LC Smoothly

Administrative Assistant Mrs. Jean Wease is in charge of pupil personnel services such as guidance and special education.

In charge of keeping Lake Central running smoothly is Principal Glen Eberly. He is responsible for all activities of the high school, keeping the faculty working cohesively and establishing school policies. Mr. Eberly is assisted by Mr. Terry Jukes, senior division assistant principal, and Mr. Robert Daniels, junior division assistant principal. Most of their time is occupied by overseeing student conduct and discipline. Lake Central's Administrative Assistant Mrs. Jean Wease also has many important responsibilities which include scheduling of teacher classes and directing school testing.

Lake Central Principal Glen Eberly examines some important sheets of information in his office. Mr. Eberly finished his third year as principal.

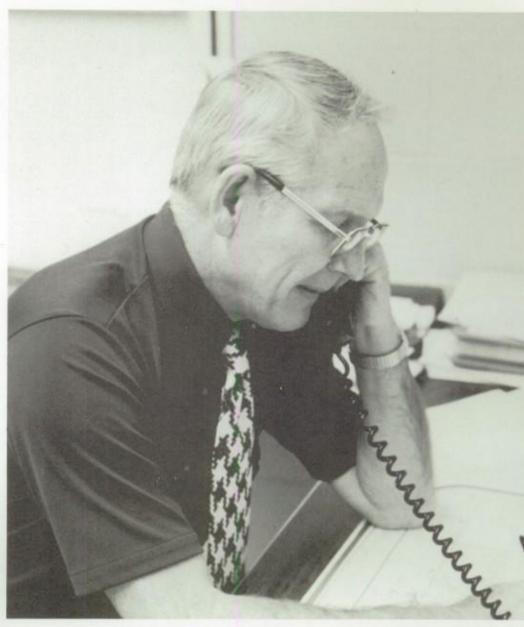

Assistant Principal Junior Division Mr. Robert Daniels confers on the telephone during a busy day.

Mr. Terry Jukes, senior division assistant principal, is working with Lake Central's teachers in a new goal setting and accomplishments program.

# Counselors strive to help

Left-Mr. John Kopchik looks through his files to make sure he has scheduled all students. Above-Mr. Bob Speelman talks with a students parent for a class change.

Mr. Tom Linger checks carefully to make sure his seniors have met graduation requirements. Mrs. Joan Defler is busy writing appointment slips to talk with all of her students.

#### better students future

Helping students is one of the main objectives for the guidance counselors, Mr. John Kopchik, Mr. Tom Linger, Mr. Bob Speelman, Mrs. Joan Defler, Mrs. Marcella Boecker and their secretary Mrs. Donna Denslaw. They help the students by scheduling classes, administrating tests, helping with student problems and looking over college literature to help the puzzled seniors with their decisions for the future. They have up to date brochures on many colleges and universities for the students that wish to go on to school.

Trying to keep all the students out of the halls are Deans Mr. John Trier with the upperclassmen and Mr. John Todd with the underclassmen.

Guidance Secretary Mrs. Donna Denslaw types out daily announcements before she gets into another busy day.

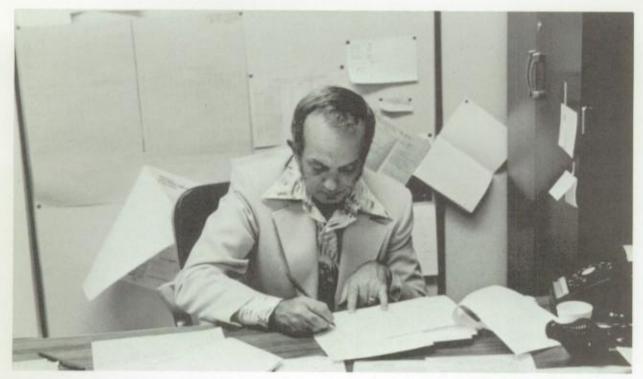

Mrs. Marcella Boecker gets most of her paperwork done before going on to enroll the new freshmen. Above right—Mr. John Trier listens to one of the many excuses he and Mr. John Todd (right) get when students are late to class.

#### Familiar Faces in Familiar Places

It is always necessary to have a staff of well trained and experienced people. Also those same people must be friendly and helpful to others. The office and library staff is not only well trained, but are also ready to answer any questions someone might have. Secretaries are always there when you need help. When looking for a good book in the library, one of the librarians will be pleased to help you. These two staffs help the school run smoothly and efficiently. They serve both the students and faculty with equal concern. It goes along with the job and they enjoy it.

Mr. Glen Eberly's job as Head Principal, is not easy as you can see by the work on his desk.

Above: Mrs. Barbara Purdy is busy balancing an account. She takes care of the books for all extra-curricular activities. Below: Mrs. Marie Wine returns to the LC secretary staff, busy as ever.

Above: Mike Berglund and Teena Zevkovich put up a banner wishing the band good luck at NISBOVA. Below: Mrs. Marjorie Aaron takes time out of her busy schedule to pose for a picture.

## Helping Students and Teachers

Miss Kathy Arbuckle checks through the card catalogue to see if anything is missing. She is head librarian.

This year's faculty was joined by seven new faces. Below: Mrs. Charolette laconnetti is new to the LC Library, but she has previously worked at Grimmer Middle School.

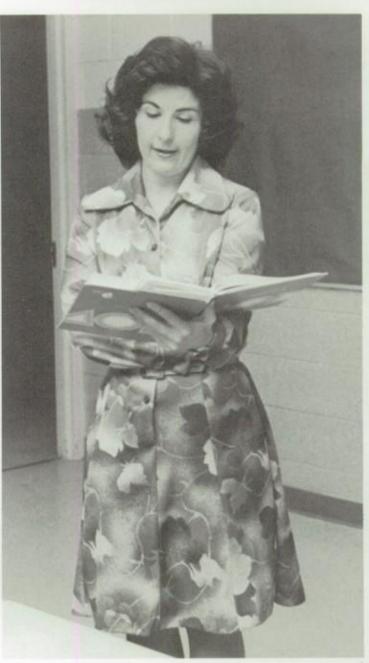

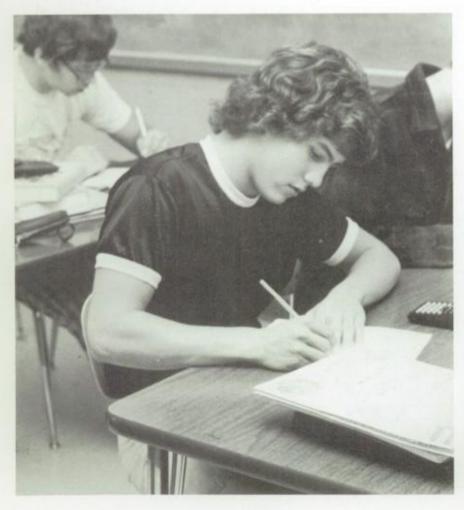

Left: Students find the library a good place to study and do homework. Above: Mrs. Joyce Kerns stops filing long enough for a picture.

Once in his favorite position, Mr. Stu Bernthal is ready to go over the assignment. Studying proves worth while for one of Mr. Walters tests. Pat Turner and Jim Oyster try their best.

#### Different

Miss Marcy Stemp goes over an assignment, answering any questions a student might have. Below: Mr. Kermit Kerns listens to one of his student's problems.

For some, the library, classroom, or study hall would be the place to do homework. Others just want to be alone, away from the noise.

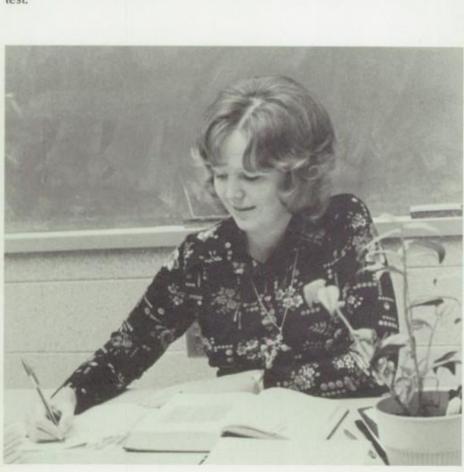

#### Problem Faced In Math

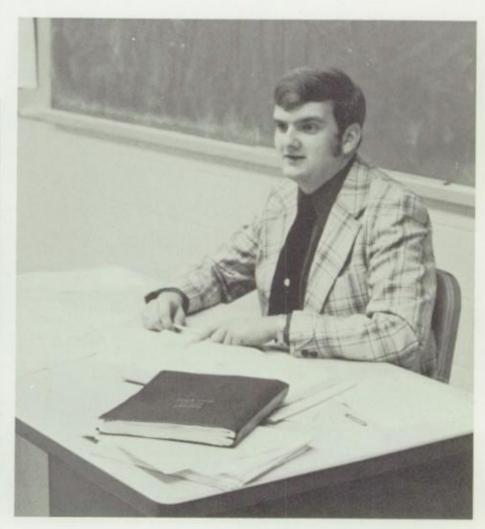

Christie Ryerson finds that it is hard to concentrate on her algebra assignment. Below: Mrs. Sharon Blasky is pleased with the score on her algebra test.

While passing back the test, Mr. Ed Walter shows his disgust in the class. Below: Mr. Kerry Zajicek listens to a smart comment by one of his students before beginning class for the day.

# Math—the key to science

Quite often Mr. Ron Graham is found hidden between the desks helping his students individually. Mr. Graham teaches Intro Algebra A & B.

Going over the six weeks grades with her students is Mrs. Stackhouse. Mrs. Donna Stackhouse is new this year, she teaches freshman math and Algebra 1.

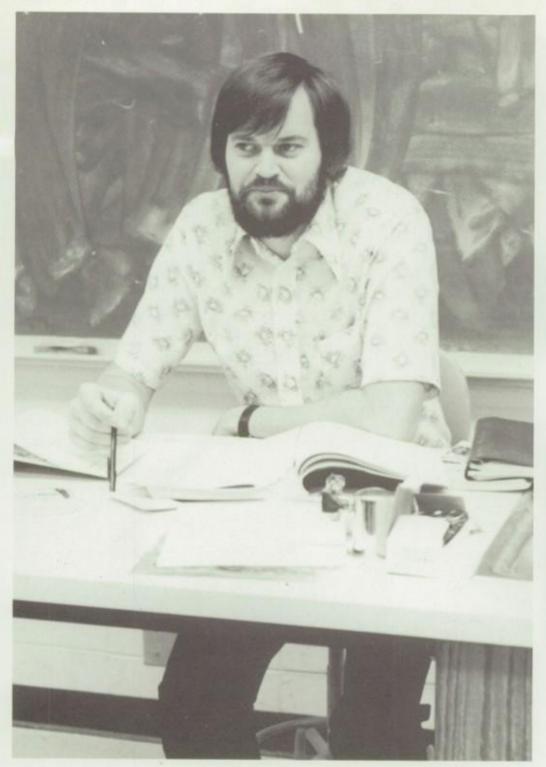

Before covering a new section in her Algebra 1 class Miss Diane Keilman offers to put problems on the board, she also teaches geometry.

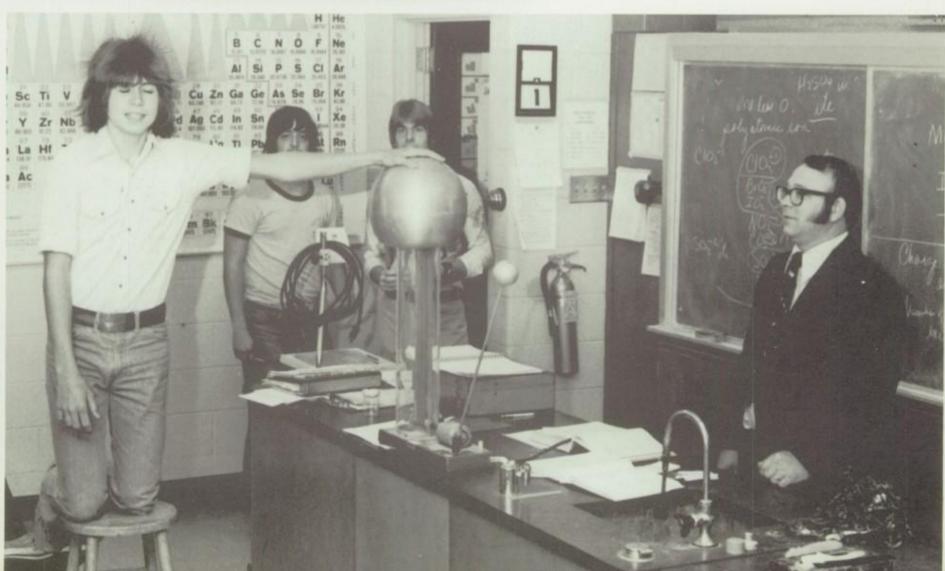

Carefully grading her students final exam papers is Mrs. Gail Lynn, she teaches Intro Algebra A and freshman math.

While trying to teach his seniors Advanced Biology class Mr. Paul Mehling has to stop a minute to hear a students funny little comment. Mr. Mehling teaches BSCS.

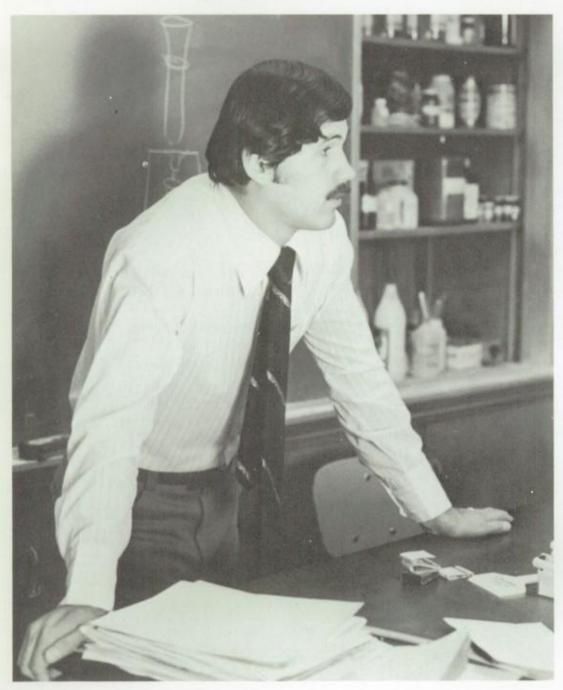

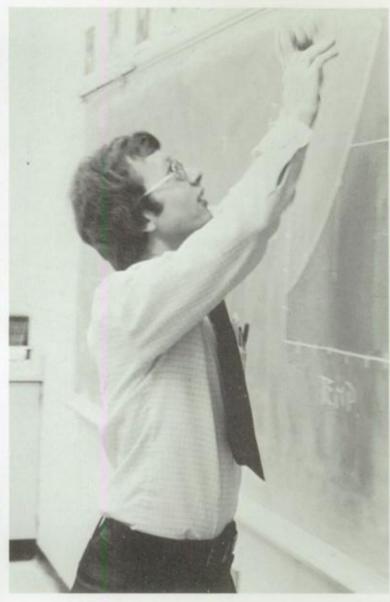

Above—Mrs. Linda Hoffman passes out assignment sheets to her biology class for their six weeks projects, she also teaches Life Science. Below—Many of Mr. Roy Rutherfords days in chemistry is spent with a few interesting experiments. Mr. Rutherford teaches Chem Study and Chem Regular.

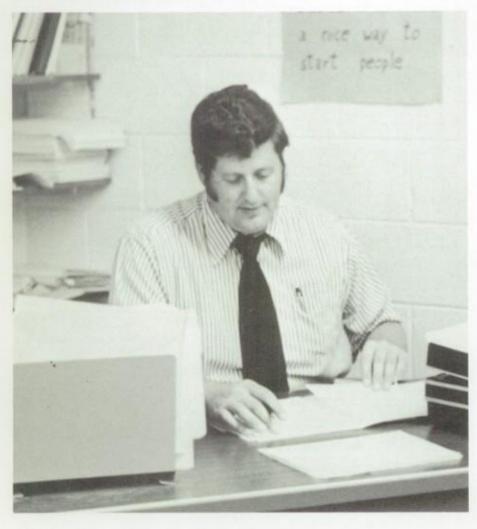

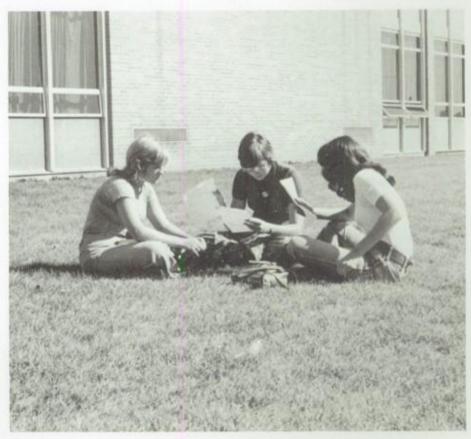

# Biology; chemistry; physics

Left: Teaching Physical Science and Physics is Mr. Rudy Skorupa. Above: Mr. Bob Rarick teaches Physical Science, Advanced Chemistry and Chem Regular.

New to the Science department is Mr. Tom Keichle. Mr. Keichle teaches Life Science and biology. Students often take advantage of the warm weather at lunch and get a little studying in at the same time.

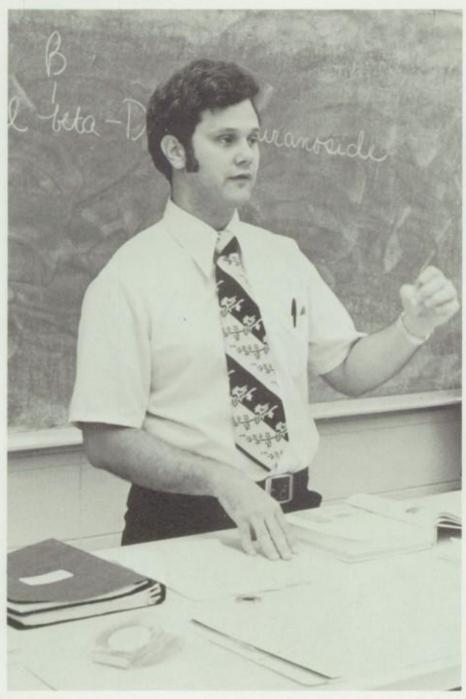

# prove to be intriquing fields

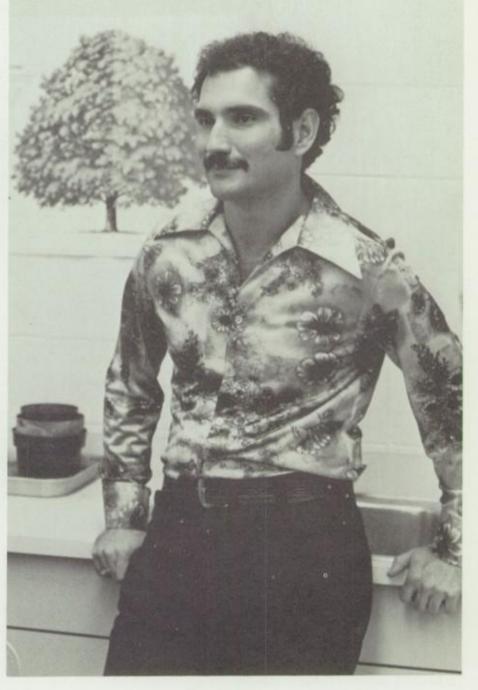

Questions of many different natures are probed in Lake Central's growing Science Department. There the complex world of plants, animals and chemistry are brought to a level of understanding that can be interpreted by the students. The disecting of live and dead frogs and the study of photosynthesis may intrique an Advanced Biology student. The ever-challenging field of chemistry and physics are studied by upperclassmen with scientific careers planned.

Added to the Science Department this year was an Advanced Chemistry class taught by Mr. Bob Rarick and another level of physics taught by Mr. Rudy Skorupa. The department now has the courses: Life Science, Physical Science, BSCS, Advanced Biology, Chemistry, Chem Study, Advanced Chemistry, Physics Honors and Physics Regular.

Left: Mrs. Marsha Tokarsky prepares for her next lecture during her plan period, she teaches Physical Science.

Mr. Louis Valse carefully explains the procedures for the experiment his Life Science class is about to do. Mr. Valse also teaches Physical Science.

Patiently waiting for his next hour class is Mr. Bill Stamos. Mr. Stamos teaches biology and Life Science.

# Business Labs Train Students

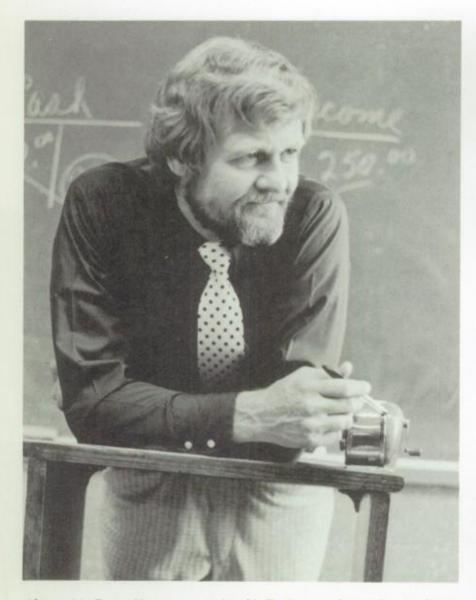

Lake Central's Business Department boasts a complete and well-balanced curriculum. An ample number of preparatory courses are offered for students who are interested in secretarial or office work.

Typing courses develop the student's proficiency in typing skills and standards of performance. In shorthand classes students learn to read and write well-formed shorthand outlines. Those students who take Office Machines study the operation of machines that are used in Secretarial Lab. In Secretarial Lab students are prepared for employment by studying actual office situations. LC offers several business courses which are math orientated, such as accounting and Business Law.

Mrs. Joann Urbaniak and Mrs. Beverly Watson were new to Lake Central's Business Department this year.

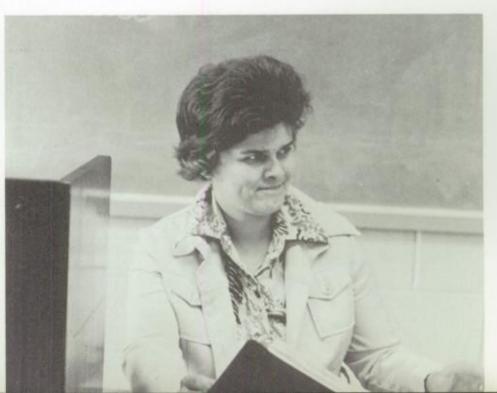

Mr. Jerry Frazier, who is teaching his second year at LC, assigns an exercise to his typing class. He also teaches Office Machines.

Above: Mr. Buren Hooper supervises his Typing I students who are doing a speed drill. Mr. Hooper, the Business Department chairman, also teaches Accounting I. Right: Before beginning the hour's activities, Mrs. Rose Bright checks her attendance list. Mrs. Bright teaches Typing II, Market Management and General Business.

Mrs. Beverly Watson explains some mathematical figures to her business class. Mrs. Watson teaches Business Law, General Business and Business Math.

# Classes Take Field Trips

Everyone in Mrs. Bibich's Secretarial Lab is busy doing their current assigned jobs. Each student spends a period of time working on one job and then moves on to another duty.

Mrs. Evemae Bibich adds a colum of figures on the calculating machine. Mrs. Bibich instructs the Secretarial Lab students.

Mrs. Joann Urbaniak answers junior Beth Gallet's question about a current assignment. Mrs. Urbaniak who also teaches accounting is new to the department.

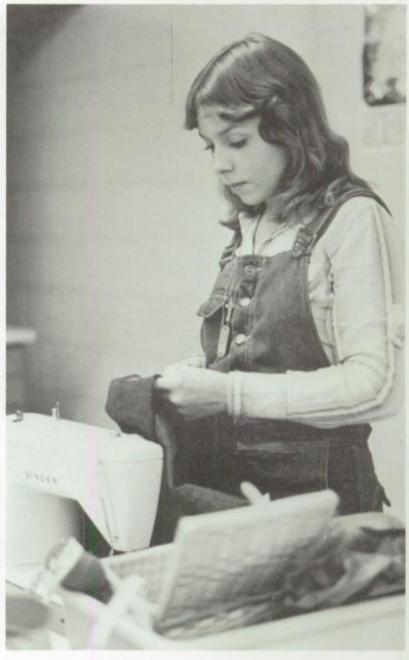

Above: During shorthand class, Mr. Don Binole dictates a letter to his students. Right: Mr. Noble Baker times his typing class during a speed drill.

# Practical Skills Developed

Mrs. Shelly Kavois discusses the techniques of administering first aid with her Home Nursing class. Mrs. Kavois also teaches Sewing I and Foods II.

Sheila Barnett works on the garment she is making in Sewing I. Students are required to sew a skirt, a blouse and a dress.

Right: Mrs. Sharon Johnston shows Sally Bernhardt how to thread her Pfaff sewing machine. Mrs. Johnston teaches Family Living in addition to sewing. Above: Home Ec Department Chairman Mrs. Barbara Blankenship explains how to use seam binding to her sewing students. Issues and Values are also taught by Mrs. Blankenship.

#### In Home Ec

Above: Mrs. Nancy Lakin helps a student adjust her sewing machine. Home Management, Adult Living and Home Nursing are also taught by Mrs Lakin. Right: A problem with Laurie Lovell's sewing machine is worked out by Miss Marti Heintzmann. She teaches sewing I and II and Foods I.

Students enrolled in Home Economics courses learn practical skills in cooking and sewing as well as guidelines for making important economic and personal decisions. The Home Ecprogram helps students to prepare for situations which they are likely to encounter in life.

Field trips which utilize ideas taught in class play an important role in Home Economics classes. The activities performed during the trips the department took this year include fabric buying at wholesale houses in Chicago, making funeral arrangements at a funeral home and selecting furniture. Students also visited model apartment buildings to select apartments while another group went to a car dealer to buy new and used cars.

Mrs. Shelly Kavois who taught her first year at Lake Central this year is the only new teacher in the Home Ec Department. Mrs. Kavois taught Home Nursing, foods and sewing.

Deedee Staples pins together the seams of a project that she is working on in her sewing class. Skillful sewing requires patience as well as physical agility.

Mr. Richard Ossanna explains some basics of grammar to English I students. He also teaches College Prep English for seniors.

#### Co-op Format

English is one of the most important classes that students take in high school. A solid English background will be important in years to come, whether in college or working at a job. Areas that students need to master include grammar, research, composition and comprehending written material.

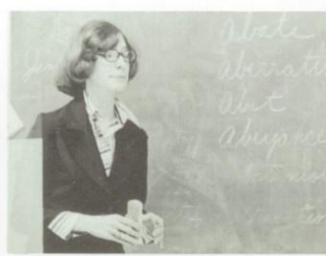

Each teacher has a different approach to the subject. Mrs. Gawenda took her classes to see a play. During the second semester, Mr. Ossanna's senior college prep classes were organized on the basis of a co-op concept. Mr. Quinn was one of several teachers to require his seniors to write an attitude of life paper. Mr. Fraley employed a new idea in his classes called contract grading. His students made contracts for the grades that they were going to work for. Under this system 99% of the assignments were turned in.

New to the English department this year was Mrs. Kathy Donaldson, English II and Mrs. Leslie Ballard, English I and III. The opportunity for seniors to take a semester of college English was provided this year. The students were taught by a teacher from Purdue-Calumet.

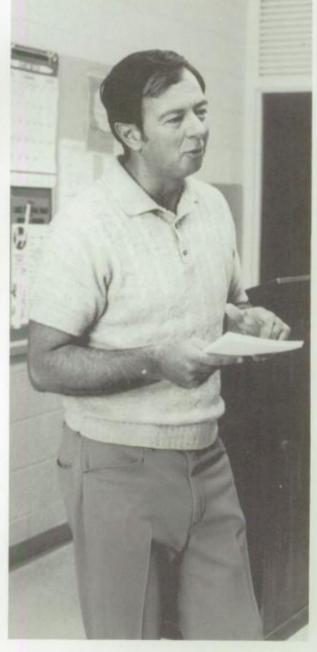

While drinking coffee in the teacher's lounge Mrs. Carole Selund looks over her plans for the day. Reading and English I are taught by Mrs. Selund.

Above-Mrs. Leslie Ballard reviews vocabulary with her English class. Left-Mr. Daryl Fraley relaxes as he watches his English IV class take a quiz.

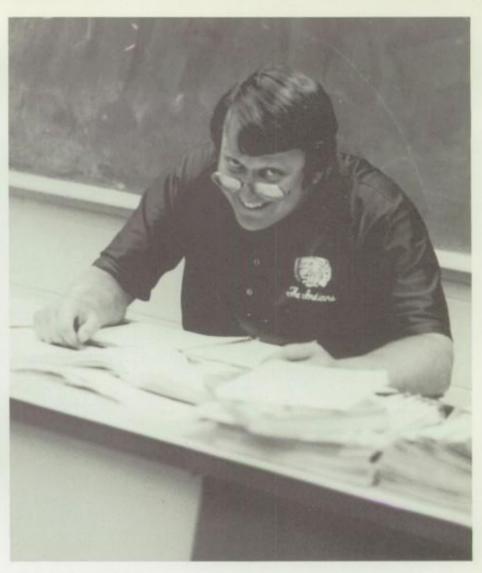

English Department Head Mr. Lee Quinn explains an upcoming assignment to his freshman class. He also teaches English IV.

#### For CP Classes

Above—Mrs. Gayle Gawenda reads to her sophomores a book of poems. Left—"Easy does it" says English I teacher Mrs. Connie Lewis.

Mrs. Sandra Frohock carefully grades a group of English papers. Mrs. Frohock teaches English I.

Sophomore English teacher Mrs. Dixie Whitehouse searches through the card catalog in the library.

#### Students Travel To Mexico

Students taking Spanish, French or German will agree that learning a foreign language is difficult, but worthwhile, work. All language classes emphasize the importance of learning vocabulary and grammar, particularly verbs. But oral exercises are also important; therefore, the students spend a lot of time on dialogue and conversation. Each foreign language has its own special activities. French students viewed slides of France, while German students made German Christmas cards.

Some former and current Spanish students flew to Mexico during spring vacation. They traveled by bus to Mexico City, Taxco, and Acapulco. Highlights of their trip included a tour of the pyramids, a folkloric ballet and seeing Acapulco cliff divers.

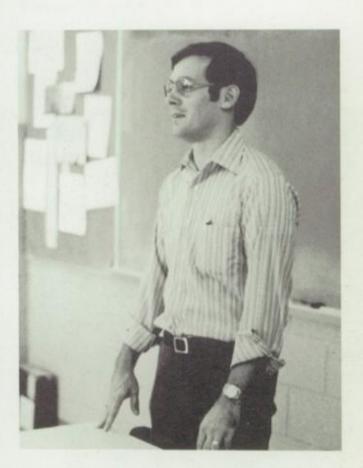

Spanish teacher Mrs. Cindy Ballou has another big stack of papers to grade.

Foreign Language Department Chairman Mr. Al Smith teaches Spanish I, III and IV.

Above—Mr. Mike Hensley, who teaches German I, II, III and IV, discusses Christmas card making with his class. Left—French teacher Mrs. Angela Lowe gives one of her favorite frogs a big hug.

#### Culture in the form of art

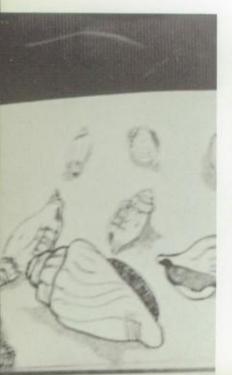

Left: Teaching Basic Arts and Crafts II is Department Chairman, Mrs. Lenora Smith. Mrs. Joanne O'Conner teaches Painting I & II, Visual Design, and Art History.

Above: New to the Art Department is Miss Sandy Herald. Miss Herald teaches Basic Art and Crafts I. Right: Mr. Joe Brignoni teaches Crafts I, Painting I and Basic Arts.

Creativity and color are brought into the schedule of many Lake Central students who have art classes. Beginning art classes get acquainted with layout, and ceramics, they complete the year with fine arts drawing and paintings. Advanced classes in art, work with graphics, blocking, silk screen and string prints.

The art of writing has long been a means of communicating ideas to the public. Journalism classes offer students an opportunity to prepare for writing expressions in newspapers. In class students acquire the skill of writing informative and interesting stories.

Formal discussions, public addresses and appearances are obligations many young people will face in the future. Speech classes give students a chance for experiencing new expressions.

Speaking, writing and listening are the three major ways to express opinions and gain knowledge. The awareness of this can better relate the world events and stimulates one's thinking to experience and actions.

# Learning new communications

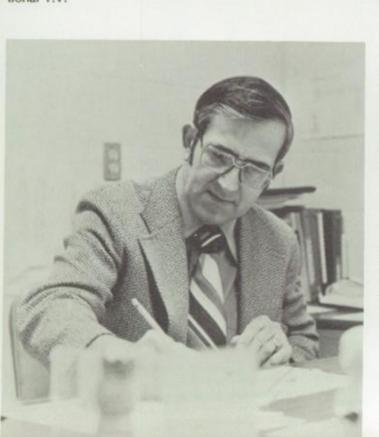

Mr. Ron Fritchley teaches Intro Journalism and is the advisor of the yearbook and newspaper staff. Right: Mr. Scott Andre teaches Junior English and Speech.

Above: Teaching T.V. and radio is Mr. Jeff Pavlovich. Below: In Lake Central's T.V. studio Mr. Lou Iaconnetti teaches Vocational T.V.

Above: New this year, taking Mr. Andre's place, Mrs. Cindy Bertram, teaching Speech and English III. Right: Mr. Paul Lowe teaches dramatics and speech.

#### WCAE Channel 50 Broad

Mrs. Vena Perrings and Mrs. June Studer do the secretarial work for Lake Central High School's television department.

Lake Central's T.V. station WCAE channel 50 is in its tenth year of public broadcasting. WCAE, which is one of a few high school T.V. stations in the country, broadened its format. The wider selection of programs includes daily news, education programs for children such as Sesame Street and choir specials.

Channel 50 expanded its coverage of Indiana High School sports this year. For the first time the station covered girls' basketball from regional championships to the state championship. WCAE also extended coverage to IHSAA football playoffs and boys' basketball playoffs. A Player-of-the-Week football program was also initiated by the station.

Mr. Fred Jones, director of school services, developed a plan to continue the education of school corporation students during a prolonged school closing. Channel 50 will air verbal instructions and short visual demonstrations prepared by teachers on the third consecutive day of school closing.

A UPI wire machine was acquired by the T.V. department this year. The machine is used to receive news releases from United Press International. During the fall a series of health programs was aired on channel 50. The shows were broadcast every Thursday evening.

Above: Mr. Paul Reid, T.V. engineer, corrects a problem causing a disturbance with the picture on the screen. Right: Development Director Mr. Ernest Rueter writes down some financial figures while talking on the telephone.

Mr. Chuck Pollen stops his lecture for a moment to hear a wise crack from a student, he teaches sociology and history.

Mr. Dave Nelson is finally caught giving his famous sneer, Mr. Nelson teaches social problems and history. Teaching Economics and Psychology is Mrs. Diane Gustafson.

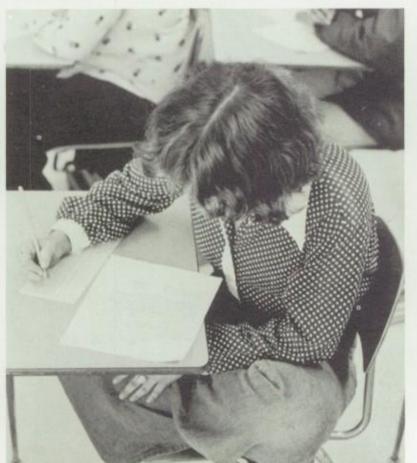

Mr. Randy Fenters listens to an important comment in class. Becuase of the heat Mr. Mick Smith teaches class outside in front of school.

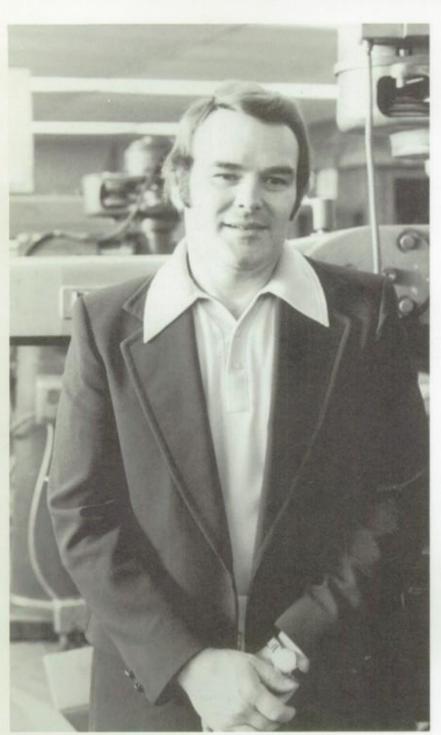

As young Americans and future voters, students face the challenge of learning about the past for the purpose of improving the future. By studying social studies, they are offered an opportunity to find out about our ever-changing world.

The major function of the social studies department is to help the student understand the structure of society and his particular role. Through such courses as world history, U.S. History, economics and government, students better understand the basic principals and ideas of the United States Government and those of other ages and countries.

Right-Senior Jim Dugger and above, Junior Tim Wilking both work on their projects due in Vocational Carpentry class.

Often found in his office in the metal shop room is Mr. Les Milby. Below-Mr. Engerski explains to his graphics class how to use a printing press.

By developing skills through practice, boys in Industrial Arts classes prepare for careers as draftsman, carpenters, welders, mechanics and construction workers. From the first door knocker made in metal shop, to the first project made in wood shop, boys seem to learn an everincreasing amount of knowledge in the vocational field they choose. Boys taking any of the nine different Industrial Arts classes learn to work mainly with their hands. Teaching these classes are De-

partment Chairman Mr. Les Milby, Mr. Russ Tomjanovich, Mr. Dick Wood, Mr. Tom Harris, Mr. Dennis Brannock, Mr. John Linley, Mr. Brian Board, Mr. Greg White and Mr. Bob Engerski.

Cooperation is needed on any job, and in the shop classes students learn to cooperate, take advice and learn from the experience of others. These factors contribute to success not only on the job, but in everyday life itself.

# Students learn through

Left—Mr. Al Pilarcik, the health department chairman, worked on a health crisis program series that was shown on Channel 50 last year.

#### LC Airs Health Programs

Good sportsmanship and the ability to work with others are two qualities that are attained in physical education classes in addition to physical fitness. For the first time in LC history, girls and boys were in the same gym classes. They competed together in sports such as basketball, volleyball, soccer, softball and track.

During the fall, Channel 50 aired a series of Health Crisis Programs coordinated by the Health and Physical Education Chairman Mr. Al Pilarcik. The programs, which included topics such as dentistry, drug ad diction, alcoholism and vandalism, involved the interviewing of resource persons such as judges and doctors. The shows, which were also sent to other schools for viewing, were hosted by LC students. Among the guests on the program was Brooks Robinson of the Baltimore Orioles.

Mr. Tom Peyton gives instructions to his physical education class. Mr. Peyton assists Mr. Linger in coaching the boys' varsity basketball team.

Choir Director Mr. Mike Lewis reviews the music which the Girls' Ensemble will perform in the Choral Concert. Mr. Lewis is also active in the theatre on-stage and off-stage.

Above: Mr. Doug Jordan's Marching Indians had one of their best years by winning big at NISBOVA and in Florida although the state trophy still eluded them. Below: Pride is always the companion of the band and choir.

Hard work and endless hours of practice again steered LC's band and choir to a year of satisfying success.

Mr. Mike Lewis' choir received acclaim both as a group and as individual members. The LC Choral Department earned 60 medals, including 39 golds and 21 silvers, at the state contest in Indianapolis. Thirteen LC students were named to Who's Who In Music while three of them, Debbie Frisinger, Michael Berglund and Karen Koonce received membership in the All State Choir.

The band had yet another outstanding year as it won the NIS-BOVA sweepstakes for the thirteenth time in the past fifteen years and then went on to take second place in the state band contest. The Marching Indians also won the award for the best inspection. In February the band traveled south to Fort Myers, Florida where they sweeped all the awards in the Thomas Edison Pageant of Light Festival.

The Freshman Class of 1980 has shown great pride, sportsmanship, and courage in their first year at Lake Central. They adjusted very quickly in spite of the initiation.

They walked into Lake Central with a lot of hesitation and wondering. The stress of initiation was hard to get through, wearing their blue and white caps, with the names of all the seniors who initiated them personnally. But they made and went on.

With the help of the class cabinet, class officers, and SGA, the class participated in anything and everything. Football, basketball, homecoming, the yell contest, dances, etc. They helped defend their class and school.

This class in its first year has been a great success. It's hard to start at anything and get people to like you. They really "Look Good," and will try their best to stay that way in their future years at Lake Central.

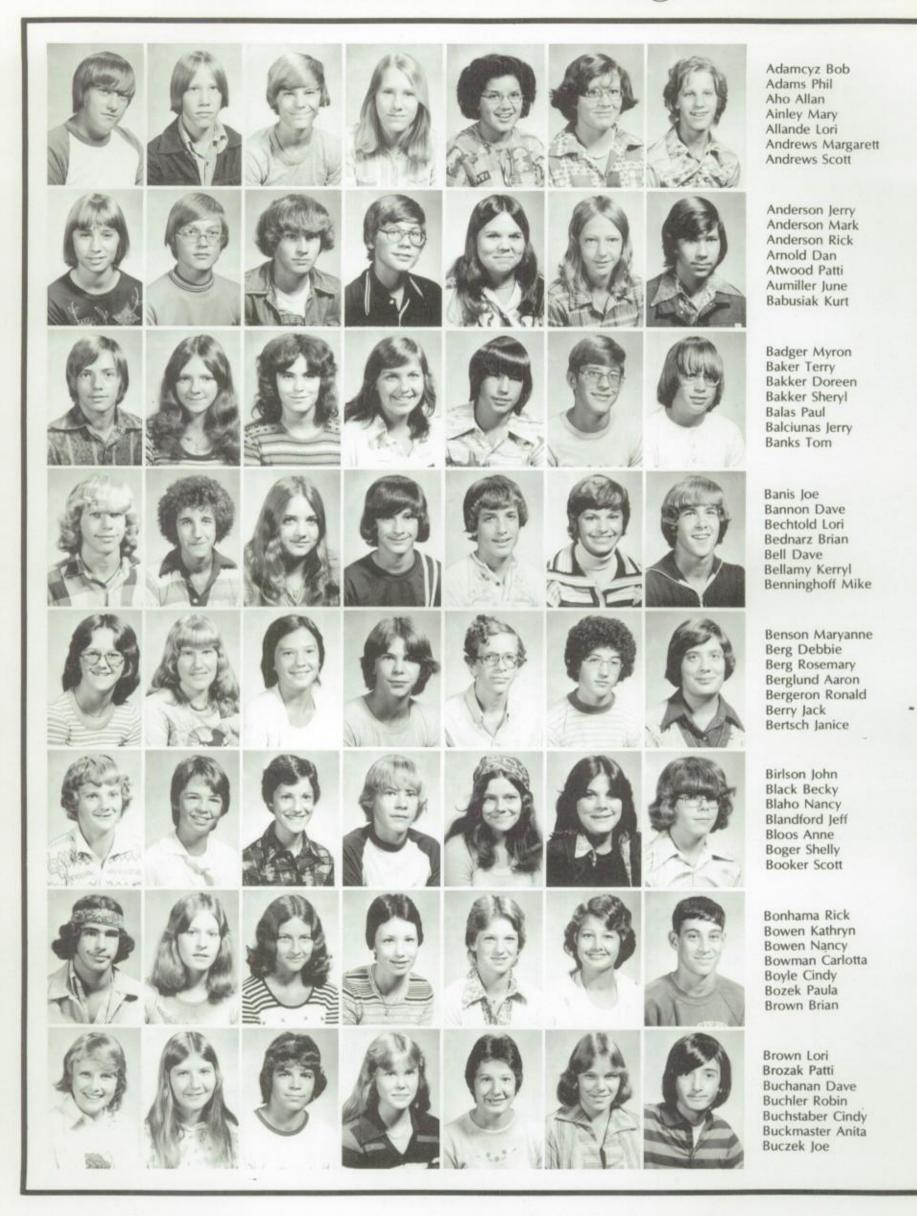

Class Cabinet: A. Milne, C. Gray, K. Kuhn, M. Jackson, N. Blaho, D. Bakker, R. Shots, H. Thomas, C. Walker, R. Johnson, J. Horvatich, S. Walters, S. Norris, M. Gross

SGA Members: D. Bakker, K. Coon, J. Horvatich, N. Blaho, R. Johnson, S. Walters, C. Gray, C. Bakker, M. Gross, R. Shots, E. Grownowski, S. Norris.
